Boundaries Of Grade Schools Revised

Remodeling Planned at GCHS; Group Hospital Plan for Employees

Cloverview students were moved from Maryville to Nameoki grade school, Slough road and Chouteau Island youngsters from Mitchell to Logan school, and Arlington Heights and "West of Route 111 at Horseshoe Lake" pupils from Stallings to Lake school in September 1966 boundary changes voted by the Granite City school board last night.

New Parkway grade school was assigned the Bufovac Addition from Stallings school, Breckenridge lane and Division street from Lake school and the Wilshire, Dream Villa, Shamrock, Parkview and Cargill areas from Frohardt school.

Estimated fall enrollments include 430 at Parkway, 623 at Frohardt, 336 at Lake, 532 at Logan, 880 at Maryville, 832 at Mitchell, 706 at Nameoki and 342 at Stallings.

The Frohardt dining room and multi-purpose physical education room will now be separated as they once were, and rental of Central Christian Church classrooms adjacent to Frohardt will be ended after the current spring term.

Cafeteria to be Study Hall

The board authorized use of the present high school cafeteria as a large study hall for the 1967 year; a new cafeteria building and seven-classroom center are to be placed in this fall.

The plan will enable the present study hall to be converted into two typing classrooms, and an existing typing room will be used to expand the library.

A wing of the present cafeteria will be made into two drafting rooms, and a classroom will be converted to counseling offices.

Data Processing Classroom

A year from now it is planned to rebuild part of the old cafeteria-new study hall to provide a somewhat smaller study hall with enclosures for a vocational office and classrooms for key

First Bills For Sewage Treatment On May 1st

GC Plant Operations To Begin in June; Fee Is 90 Cents per Month

Granite Cityans can expect to get their first bill for sewage treatment shortly after May 1, it was announced at Monday night's council session. The fee for a household is 90 cents a month.

The treatment plant, now under construction at the Granite City Army Depot through a \$1,225,000 revenue bond issue and a federal grant amounting to \$388,000, is to be completed and in operation in June.

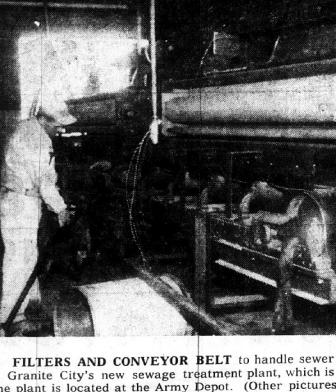

Alderman Moerlein, chairman of the Special Pollution Committee, said the bills should have started going out after Jan. 1, according to the bond issue ordinance, but that no collection of back fees is to be made. "We should be able to fulfill the financial obligations," by starting the billing in May," he said.

Hiring of a plant superintendent is expected to be undertaken within a short time, and the bond firm of John Nuveen & Co. also has recommended the hiring of a chemist to analyze industrial wastes as a basis for sewage treatment charges.

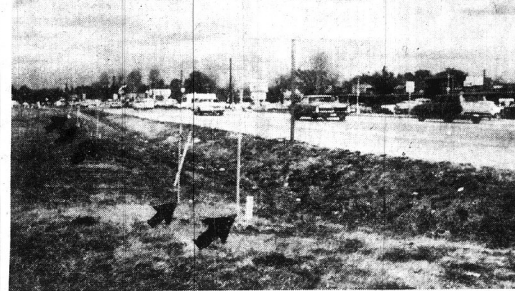

Sludge Trucks

Moerlein said it will be necessary for the city to purchase trucks to haul the sludge from the treatment plant to the city dump. The start of the billing will be about five weeks before the treatment plant goes into operation, and in order to determine amounts in multiple-family dwellings, Moerlein said the bond ordinance may have to be changed to allow a 90-cent fee for each unit or to base the charge on water consumption.

Clerks have been hired to compile addresses for the billing, and the council authorized Monday

Madison County Tops Seven Districts in Emission of Particulate Air Pollutants

Madison county measured today by the executive board of the air pollution study. The emission survey was one of three reports made public by the committee in phase II of the study, which began in 1962 and is data contained in an air pollutant emission inventory released

Driver Flees Stolen Auto After Crash

An auto stolen from Robert Mink, 2568 Waterman avenue, was wrecked when it was crashed into a tree in Wilson Park at the end of Edison avenue at 27th street about 8:35 p.m. Tuesday.

Police said the driver fled the scene, and it is not known if he was hurt. The 1957 model auto had been stolen from 18th street and Edison avenue where it was parked. The wrecked car will be towed to a garage from the park.

County's Rainings

A section tabulating air pollution emissions from industrial processes lists Madison county in first five of 12 different sources of pollution. The figures are based on county-wide sampling and no breakdown is given for the Quad-City area. Madison county also is listed as tying for first place in one other category, which gives the county top position in the amount of pollution emitted in six of the 12 classifications.

Four of the first place positions are recorded for emission of particulates (solid pieces) through different types of industrial processes, with the county tied for first place with the city of St. Louis in a fifth category of the particulate field. Madison county's sixth top position of pollution emission is in the sulphur dioxide category.

The report shows that Madison county is first in the amount of particulate pollution from industrial processes in steel-making plants with a sampling of 300 tons per year during the 1963-64 tests. Only one other sampled area, the city of St. Louis, indicated any pollution in this class, registering 217 tons per year. Absence of readings in any of

Drinking fountains will be installed in several places around Wilson Park, and the board approved a good foundation for a permanent concrete walk in the future.

In other action, the board approved the use of Wilson Park by the Lutheran Bureau for Easter Sunrise Services this year. The annual children's Easter Egg hunt on April 9 was approved by the board and was referred to Brown for organization.

Brown announced that the park district again will sponsor trips to the St. Louis Muny Opera, and that a minimum of 45 tickets would be available.

Industrial Park Assures Continued Growth of Mitchell

Nameoki townships by five out of a series of articles relating to the Mitchell area. Its growth as a residential area and the part it plays in the expansion of the Quad-City area as a whole.

Any summary of facts pertaining to the story of the Mitchell community would be incomplete without reference to the most recent development that gives the area a potentiality of future industrial importance.

It has been noted earlier that Mitchell, for the most part, serves its principal purpose as a residential district for thousands of persons working in nearby Quad-City industries and businesses. Mitchell also has been, in past years, a thriving rural center. But until now it never has had any major industries or large business establishments.

This status, however, now faces the possibility of change.

Not long ago the Tri-City Regional Port District announced the creation of a 9000-acre industrial park, through acquisition of land in Chouteau and

State Gives \$100k To Nameoki Rd. Contract Award

General Contracting Co. Expects to Start Work On Project April 1

The long-awaited contract for widening and improving Nameoki road from Madison avenue to the northern Granite City limits is the original bid by General Contracting Co., here, may be able to start work in 10 days.

A. V. VanAuld, highway division engineer in charge of road contracts, announced the contract award.

He told the Press-Record that the highway department's awards committee made no changes in the original bid by General Contracting Co., and that the contract was awarded on the original offer of \$76,634.

The highway department's cost estimate on the project was between \$60,000 and \$70,000. This morning, said VanAuld, Lybarger, president of General Contracting Co., said he received notice of the contract award this morning and that he expects to begin construction work on the project about April 1. He said that a pre-job conference will be held within the next few days with a view toward beginning work as soon as possible.

Other Bids Submitted

Two other bids were submitted on the project on March 4. They were by Keels Brothers Contracting Co. of East St. Louis, \$73,834, and the Calhoun Construction Co. of Springfield, \$77,004.

Bids were called Feb. 11 after a month's delay due to a demand by the U. S. Bureau of Public Roads that Springfield file a number of "encroachments" on the right-of-way would have to be

State Safe; Urge Students to Attend

Stallings school is safe and "spotless" and parents should send their children back to school, officials said at a school board meeting last night. Worry over hepatitis had led to absenteeism by 119 out of about 400 pupils.

"The state board of health and the school system say there is no epidemic and no contagion," Supt. Russell D. Johnson said in reviewing the situation. "It is a fact that among some parents late last week, six cases have been pinpointed in various neighborhoods, and some of these may not actually be hepatitis, he said.

However, inflammation is infectious but not contagious, it was stressed. Those who note such signs as nausea or vomiting should keep their youngsters at home, but all others are "safe at school," he said.

Madison youths were Michael Modrusick, Charles E. Thomas and Terry E. Clark Jr., Frank E. Allen, formerly of Granite City and now living in Hartford, also was in the draft quota.

April quotas for the Quad-Cities are for 30 youths to be drafted on April 11 and for 35 to report April 15 for pre-draft physicals.

More PTAs Joining Campaign For RR Crossing Protection

Added support for the citizens' Organization for Community Action in seeking protection from the hazardous Maryville road crossing was reported this week by David Walker, who heads the citizen group publicity committee.

Walker said the Lake school and Coolidge junior high PTAs have offered support in circulating petitions to be sent to Gov. Kerner.

He and Rev. Dr. John DiGiacomo, chairman of the St. Paul's Episcopal Church board and head of the citizen group's petition committee, predicted the number of petition signers will increase from the present estimated 4000 to a total of 10,000 or 15,000 within the next few days.

Vehicle Safety Check Planned During May

Preliminary plans for an area-wide vehicle safety check were discussed by the Quad-City Safety Council in a luncheon session at the Grand Cafe Monday. The council, without charge to motorists, is to be held during May in a program to encourage motorists to get their cars in A-1 condition before the vacation season begins.

The program will be conducted by the safety council in cooperation with the Quad-City Gasoline Dealers Association. Tentative plans call for safety check centers in 35 service stations throughout the Quad-City area. Dates for the program will be announced later.

Retired Steelworker, John Smith, 77, Dies

John Smith, 77, of 2306 Edison avenue, a retired steelworker and Canadian Army veteran, died of cancer at Jewish Hospital, St. Louis, at 2 p.m. Monday following a seven-month illness. He had been hospitalized for six days.

Born in Alloa, Scotland, Mr. Smith had come to this country as a youth. He had lived in Minnesota prior to moving to Granite City about 40 years ago. He was employed for 27 years at Granite City Steel Co., where he was a first helper in the open hearth department before retiring 12 years ago.

Mr. Smith had volunteered to serve in the Canadian Army in 1916 after his older brother, Thomas, was killed and another brother, James, was wounded, while in action in France. Mr. Smith also was wounded in World War I. He was a member of the Royal Canadian Legion and the United Steelworkers of America.

He is survived by his wife, Mrs. Morie Smith; a daughter, Mrs. Gordon (Clementine) Wadlow, Granite City; two sisters, Mrs. Thomas (Elsie) Gilmore, Fairboro, Pa., and Miss Clementine Smith of Alloa, Scotland; a brother, David Smith, of Chesapeake, field, England; and one grandchild.

Funeral services were held yesterday. Arrangements are given in today's obituary column.

Rulings on Annexation, Taxes, Library Service

Where rival annexation proceedings over the same land are instituted by different municipalities, the proceeding first instituted must have preference, Attorney General William G. Clark has advised State's Attorney George E. Sangmeister of Will county.

In other new rulings, Clark has held that:

Persons redeeming property forfeited for non-payment of taxes must pay the statutory interest of 12% per year or fraction thereof as a "penalty." Such 12% interest cannot be pro-rated on the basis of that fraction of a year which has elapsed.

A referendum to continue or increase a tax rate should be held at the regular township or road district election in the district unless a special election is called.

The board of directors of a city, incorporated town, village or township may contract with a district library for the supplying of library services when such action "becomes necessary or beneficial to the people."

Tax Assessors to Meet On Personal Property

The Madison County Assessors Association will meet at 2:30 p.m. Monday in the office of George Musso, county treasurer, prior to their annual start on assessment of personal property on April 1.

Eugene Berghoff, supervisor of the Illinois revenue department's property tax division, is scheduled to advise the 24 township assessors as to their duties in making the 1966 assessment of personal property this spring.

Former Local Teacher Names First Child

Mr. and Mrs. Harry Nelson of Alton have selected the name Frank Arthur for their first child born recently at Alton Memorial Hospital. The mother resigned from the faculty of Mitchell grade school, where she was on the staff for nearly five years.

The new arrival weighed six pounds and eight ounces. Mrs. Nelson, who taught in Germany and in the Alton area before joining the local school system, also serves as president of the Granite City Education Association.

Fire Causes Damage

Burning of a yard got out of control at the home of J. C. Cochrane, 2730 State street, Monday, causing \$250 damage to shrubbery, blistering the paint off of window sills and cracking the window glass.

Other grass fires were at 7:45 p.m. Monday in a drainage ditch at 2800 Sunset avenue and at 8:15 a.m. Tuesday at the home of Lila Mills, 2104 Cottage avenue.

City to Annex Tracts for Two Churches

Annexation of two church sites at the eastern boundary of Granite City was tentatively approved by the city council Monday night, and ordinances of annexation are to be prepared.

The sites are those of Peace Lutheran Church at 2400 Broadway and the site for the new Trinity City Park Tabernacle at Bunker and Ivy lanes. Both locations are in the Wilshire area.

A request for another annexation in the same area—a four-acre tract owned by Lindell and Helen Lindsey at Bradford lane and Maryville road—was referred to the City Plan Commission. The Lindsey also seek permission to tap into the city's sanitary sewer system.

Zone Code Amended
An amendment to the city zoning code to permit professional offices to be located in residential areas along major, four-lane thoroughfares was approved. It had been placed on first reading March 7. Each individual request

for location of such an office is to be submitted to the council for approval.

The council also approved an amendment to the zoning code for the Briarcliff Development Co. to erect duplex dwellings and apartment houses in a million-dollar development in the Briarcliff area south of West Ponton road.

Hold over was a zone change request for three lots on the east side of the 2500 block of Washington avenue where eight-unit apartments are planned. Aldermen of the Second Ward want to ascertain if an alley that had been closed when the area was a coal yard will be rededicated to permit access to property that otherwise could be shut off.

Another amendment to the zoning code is to be prepared on recommendation of the City Plan Commission for a C-2 designation instead of C-1 for property at 2814 Namekiki road owned by Harold Carver, who operates a service station there.

Report by SWIMAPC

Presented to the council by Alderman Rutledge, chairman of the Planning and Zoning committee, was an intermediate report by Southwestern Illinois Metropolitan Area Planning Commission which is updating the city's master growth plan and zoning code.

Copies of the report, which initially went to the City Plan Commission, have been distributed to the council members for study. The intermediate report deals with the zoning code and recommends updating a master zoning map—which is being prepared—and provisions for keeping it up to date.

Rutledge called upon city inspectors to determine if a portion of a tin shed on property in the 2400 block of Devey avenue should be ordered to tear it down. Building Inspector Deville Dettour reported the property had been cleared of debris in recent weeks.

Hiring Consultant Engineer for GC Deferred for Week

Deferment motions by Alderman Whittier and Bartosiek halted what promised to develop into a lively debate over hiring a consultant engineer for Granite City.

A recommendation was made during Monday night's council session by the Personnel committee that the firm of Sheppard, Morgan & Schwab be hired with a retainer fee of up to \$4800 a year.

The recommendation, Chairman Thompson said, was a unanimous decision of the Personnel and Street committees, but it brought forth immediate protests.

Alderman Bartosiek called for a detailed review of the three engineering firms interviewed by the committees, and Alderman Norn protested the city would be paying \$4800 for part-time services. He pointed to the services by the former engineer, David Johnson, who had been paid \$5000 a year and provided a staff here.

Whittier immediately replied that the staffer was not a licensed engineer and that Sheppard, Morgan & Schwab is a local firm and could provide the necessary services to the city. He added that the Johnson firm also had the city's motor fuel tax engineering work.

Firms interviewed by the committees in addition to SMS were Research Planning & Design, St. Louis, which is now doing the city's MFT work, and the Corlew firm of Edwardsville.

Opposition to SMS for the consultant post also was made by Alderman Moerlein, who said he was not satisfied with the firm's work on the sewage treatment plant, pointing out that the firm's insistence on a certain type of filter cost the city an added \$65,000.

Moerlein added that his son-in-law no longer works for the Research Planning & Design Co. His daughter works there on a part-time basis—about three hours a week. He added that the firm has an engineer residing in Granite City, Paul Hagler, who could serve the city.

Moerlein also was critical of Sheppard, Morgan & Schwab in his presentation last week to the federal Housing and Urban Development agency for a \$1,500,000 federal sewer construction grant. He said the engineer did not follow the instructions given by the council at its March 10 special session, and that the city's application had to be revised for filing.

Details of proposals by all three firms are to be distributed to 40 aldermen for study prior to next

Curbside Bus Zone to be Established at YMCA

A bus zone at the YMCA is to be established by the city along 20th street to provide a sidewalk access to vehicles with passengers for the YMCA.

The proposal was made by Mayor Partney and was readily accepted by the council. Two parking meters are to be removed, and the zone on the north side of 20th street will be adjacent to a YMCA entrance. Regular parking will be prohibited in the zone.

The mayor's suggestion was to provide a safety factor. Buses

normally take on passengers or discharge them on Edison avenue—a one-way northbound street with infrequent access to the curb for parking.

"With this zone," the mayor said, "youngsters arriving or leaving the YMCA will not have to go into the street since buses or other vehicles can pull up to the curb."

A Belleville youngster with a visiting swim team was last month when he left a double-parked bus on Edison avenue and was struck by a car while crossing the street to enter the YMCA.

Phone Cable Damaged In Venice Brush Fire

A severe brush fire, believed to have started from a spark from a locomotive, burned for more than an hour before being brought under control by Venice firemen near the Johns Manville plant in the Illinois Terminal Highline Tuesday evening. The brush fire spread into the "tar pit," an accumulation of waste from operations of the Celotex Corp. which formerly was located in the Johns Manville plant.

Venice firemen said they received their call at 5:15 p.m. Tuesday and the fire, whipped by a high wind, was well under way when they arrived. Fire equipment was at the scene about an hour and a half. The blaze damaged an overhead telephone cable and destroyed one utility pole.

Venice firemen also were called at 7:55 p.m. Tuesday to the home of Marcellus Daniels, St. Jefferson street, when an oil burner became overheated. There was no damage.

K. of C. Festival, Dinner Set for Sunday

Tri-City Council 1088 of the Knights of Columbus will hold its third annual spring festival and chicken dinner Sunday, with serving starting at 1 p.m. Dinner tickets will be \$1.50 for adults and 75 cents for children. Carry-out orders will be available. Game and cake booths will be on hand, and entertainment will include the Eagles Kitchen band. Proceeds will be used for various charitable causes served by the knights.

Monday night's council session. The deferment motions came as the requests for more information were being made. It was learned that Research Planning & Design has submitted a proposal with a retainer fee of \$3800 a year, based on 40 hours service a month.

Alton Presbytery Seeks County Law Reforms

The Alton Presbytery voted this week to obtain signed petitions supporting a proposed new county liquor ordinance, an anti-poll ordinance and a merit system for sheriff's department. The group met Tuesday afternoon in East St. Louis.

The petitions are to be presented to the Madison county board of supervisors. Other church

denominations are being urged to join the effort.

Attending the meeting from the Quad-Cities were Rev. David Maxton, First United Presbyterian Church; Rev. Harry Coleghoun, Madison Presbyterian Church; Rev. Gale Cross, Namekiki Presbyterian Church; Rev. John DiGiacomo, Mitchell Presbyterian Church; Howard Kueberg and Henry Karandjeff.

Appeal Under Advisement

The Illinois Liquor Commission took under advisement an appeal of a 10-day liquor license suspension made by George Keith of Keith's lounge, 2701 Washington avenue, following a hearing Monday. The suspension had been ordered by Mayor Donald Partney as the liquor commissioner, for reason of sale of liquor to a minor.

Stop Sign Switchback is Pending at 23rd and Adams Sts.

A return to traffic control on 23rd street at Adams street, eliminating the two stop signs on Adams street, was recommended to the city council Monday night by the Citizens Traffic Control Commission along with several other changes and additions to traffic controls.

Also, the council adopted two ordinances for added controls and parking zones that had been recommended several weeks ago.

The return of the stop sign on 23rd street, reopening Adams street to through traffic was accepted by the council and an ordinance is to be prepared.

Alderman Whittier, chairman of the council's Traffic committee, said the traffic engineer realized that a mistake had been made in making the change and that to avoid traffic delays on Adams street, the stops should be removed.

Planned for Fire Lane

It was pointed out that the control had been removed from 23rd street and stops placed on Adams street to open 23rd street as a fire lane—providing the most direct route for the ladder truck from the main fire station to West Granite. It was sug-

gested the present controls at 22nd and Adams street also be restituted by the engineer.

At present, there is a three-way stop with controls on Adams street and for westbound traffic on 22nd street.

Council members asked for the commission to study the need for yield signs at 17th street and Cleveland blvd. and for a no-parking zone on the east side of Adams street south on 21st street.

Reject School Stop Removals

The commission's recommendations for removal of several sets of school stop signs were rejected by the council and the re-installation of school stops removed at 26th and State streets was approved.

The removals rejected by the aldermen were suggested on Niedringhaus avenue at Iowa street, on Iowa street at 26th street, on Johnson road at Terrace lane.

Recommendations accepted by the council were for yield signs to be placed on Buxton avenue at Victory drive, on Myrtle avenue at Victory drive and for a two-hour parking zone on the west side of Delmar avenue for 50 feet north of 24th street. The traffic control ordinance

adopted calls for installation of Adams street at Niedringhaus avenue, on Myrtle avenue at Jiff avenue and on three side streets.

Seven yield signs are to go up on side streets along Washburn avenue—Clark, Lindell, Cottage, Garfield, Richmond, Manley and Adams avenues, and the other is to be on Wilson avenue at Dogwood drive.

The stop signs are to be on

Adams Street at Niedringhaus Avenue, on Myrtle Avenue at Jiff Avenue and on Three Side Streets.

Adams street at Niedringhaus avenue, on Myrtle avenue at Jiff avenue and on three side streets.

Two hour parking zones are to be set up for a distance of 50 feet on the west side of State street at 23rd street and for 70 feet on the south side of 23rd street at State street.

The council has not yet discussed the financing of the city's share of the sewer program other than to mention briefly that sanitary sewers would be financed with revenue bonds, while drainage lines would be built with general obligation bonds that would require an election.

Three Aldermen Opposed the Filing of a Second Application for Federal Funds—Norn, Basarich and Bartosiek.

Those favoring the application were Rutledge, Whittier, Johnson, Boyd, Dallas, Moerlein, Sternberg, Thompson, Fry, Robertson, Poulos and Green.

The council has not yet discussed the financing of the city's share of the sewer program other than to mention briefly that sanitary sewers would be financed with revenue bonds, while drainage lines would be built with general obligation bonds that would require an election.

Filed a Second Application for Federal Funds—Norn, Basarich and Bartosiek.

Those favoring the application were Rutledge, Whittier, Johnson, Boyd, Dallas, Moerlein, Sternberg, Thompson, Fry, Robertson, Poulos and Green.

Budget Hearings, Town Meets Set To Act on Levies

Public hearings on new 1966-67 budgets and appropriations for township purposes will be held next Wednesday in Venice and Chouteau townships, and at 1 p.m. April 5 in Granite City. A hearing on the Namekiki township budget and appropriation was held in connection with the town board's regular meeting the past Monday night.

The Granite City hearing at 1 p.m. will precede by one hour the annual town meeting in which the appropriation and tax levy is submitted for approval by a vote of the electors. The hearing and subsequent meeting will be held in the city hall, Granite City has posted a budget of \$168,468 for this year, compared to \$220,398 last year.

A public hearing on the Venice township budget and appropriation will be held Tuesday at 7 p.m. in the township office at 1502 Fifth street, Madison, with the annual town meeting scheduled at 2 p.m. in the city hall at Venice. Venice has proposed an overall budget of \$188,361 this year, compared to \$182,736 last year. The budget includes the road and bridge fund.

The Chouteau township appropriation hearing also will be held March 28 in the home of Town Clerk Walter Sparks, 613 English avenue. The town meeting will be held at 2 p.m. on April 5 in the Chouteau township office on the Old Alton Road. Chouteau township this year has a budget of \$98,620, compared to a budget of \$80,185 last year. Joseph Troekler, Chouteau township supervisor, said today that he will decrease the tax levy for both town purposes and general assistance this year, although he does not yet know the definite rates.

Namekiki township held its public hearing last Monday night on a proposed new budget and appropriation totaling \$172,055 which includes \$79,895 for town purposes and general assistance, and \$92,160 for the road and bridge and a permanent road fund. The annual town meeting will be held April 5 at 7 p.m. in the township offices, 4250 Highway 162.

Parked Car Damaged

A parked car owned by Doris E. McCoed, 629 English place, was damaged in the left front at 2 p.m. Tuesday in front of 1209 Grille street, Venice, by a truck driven by David Higdon, Muncie, Ind. There was no damage to the truck, police said.

Madison Nine 'As Strong as Last Year'

Ten days following the opening of baseball workouts at Madison high, the Trojans received their pitchers' mound—initially a pile of dirt.

Since the pre-season drills began, the pitchers at Madison have been throwing "on the flat."

Coch Earl McClanahan said the mound will have to be prepared before it will be ready for use. Yesterday afternoon, the Trojans skipped baseball practice due to the cold weather.

"We'll be about as strong as we were last year," said McClanahan. "We've had a few intrasquad games to see what we have. From the looks of it, our pitchers are not yet throwing as hard as they should."

Meanwhile, the Trojan track team had taken over the Madison gymnasium for its Wednesday afternoon practice session.

"As I thought before the season, we'll be strong in the sprints and the shot events," said cinder coach Glen Pickering.

Pickering pointed out that the work of sprinters Ron Burt, Ben Phillips and Sam Jones has brightened what might have been a dismal season. He added that shot puffer Ed Ingthrum also has shown signs of being effective for the Trojans this year.

The rest of the events are still up in the air. The pole vault, long jump, high jump and distance events, I just don't know about."

Madison baseballers play their first game at home on March 31, while the trackmen open with a triangular meet with Dupu and Highland at Dupu April 5.

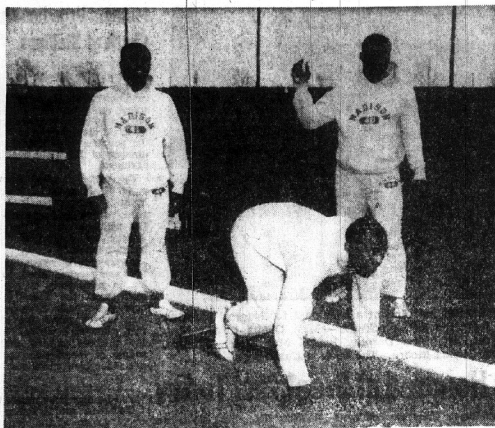

Little League Tryouts Set

The newly renamed Nameoki-Pontoon Beach Little League has set aside two dates for individual tryouts.

Major and minor players, boys between the ages of eight and 12, will tryout at the Nameoki school diamond on Saturdays, April 2 and 16.

The newly-organized senior league, for boys 13 and 15 years of age, will hold tryouts on the diamond behind Rigby's Market on Pontoon road, on April 2 and 16. All tryouts will begin at 9 a.m.

Additional information may be obtained by phoning Ann Lazaroff at TR 6-6571.

STARTING BLOCK practice at Madison high helps Sam Jones get near-perfect starts. Helping Jones out of the blocks with the command "go" are Ron Burt (left) and Ben Phillips. Despite the cold weather yesterday, the Trojans managed some practice.

Lettermen Vs. GC Faculty Friday Night

Fifteen faculty members and coaches highlight a faculty team that will take on the lettermen's club in the annual Granite City high basketball classic Friday at 8 p.m. in the GCHS gymnasium.

Dick Harmon, sophomore basketball coach, will be the coach of the faculty team. Members of that squad are Jim Morrison, Ralph Sackett, Bryce Boston, Gale Garbe, Carl Henson, Bill Eaton, Ron Pennell, Harold Gohardt, Ed Lenzi, James Oliver, Steve Radosovich, Tom Wyroszek, Carroll Sanders, Ralph Hermann and Walt Whitaker.

Players for the lettermen's team will consist only of seniors, and will exclude basketball players. Stan Wojcik, an assistant football coach, will coach the lettermen.

All proceeds from the game will go toward a gift to the athletic department from the lettermen's club. Halftime entertainment is scheduled.

Fishing Guide Available

A revised edition of the Illinois Fishing Guide is now available, the Illinois Department of Conservation announced today.

The 44-page guide contains information on streams, state lakes, city reservoirs and federal impoundments. Fishing waters in every county are described. Included in the guide is information on the size and depth of lakes, stream lengths, fishes present, general location, restrictions, if any, concerning boats and motors and other information of interest to the sport fisherman.

Maps of the major rivers show locations of navigation dams and locks, Illinois Building, 106 N. LaSalle street.

Weatherman Wins GCHS Opener

The weatherman threw a curve from his bag of tricks and "won" the Granite City O'Fallon baseball game slated for last night.

The game, first for both teams, was called by host school O'Fallon on account of bad weather. "They called the weather bureau and were assured of adverse conditions, so the game was called," said head Warrior coach Joe Fedora.

As a result, the Warriors took to the inside of their gymnasium for defensive drills yesterday afternoon.

Fedora and assistant coach Gale Garbe had the catchers working on low pitches and the pitchers and infielders on pickoff moves, and also staged a short hitting practice with rubber balls.

Outfielder Jerry McKeehan has recovered from a bad slide during a practice last week and was practicing with the squad.

"There's nothing wrong with practicing indoors, except outside is much better. We've been fortunate to have as much nice weather during the past week and a half as we have had," the head GC baseball mentor said.

Looking at the Warriors' heavy baseball schedule, Garbe said he doubts if the O'Fallon game will be rescheduled. "I don't know where it would be squeezed in."

Meanwhile, on the other side of the gymnasium, Fedora was giving a catcher lessons in trapping low pitches. He trapped all three "iron Mike" tossed him.

"As for Friday's game at Triad, I don't think the boys in 1-80 mark."

The weather bureau will give us a break that soon. Right now, I'm hoping to play Saturday," Fedora said.

The Warriors play a double-header at home with Mascoutah at noon and a doubleheader at Freeburg at 11 a.m. on Saturday.

Fedora will split his squad and use two teams for the pair of twinbills.

With 48 games left on the Granite City schedule, the Warriors have a perfect 0-0 slate, with the weatherman owning a 1-0 mark.

Cold Cancels Quartet of Workouts Here

A quartet of Quad-City prep spring sports teams was forced out of action yesterday as a sudden cold wave hit the area.

At Madison high school, Earl McClanahan's baseball squad canceled practice while the trackmen used the Trojans' gymnasium for their practice.

Three teams were affected at Granite City. Joe Fedora's baseball crew invaded the gymnasium, but the Warriors' tennis, golf and track squads called off their practice sessions.

From all indications, the Madison baseball team will forego further workouts until the weather gets better.

As for the track, tennis and golf squads at Granite City, no indication was given when they will resume practices, except "when the weather gets nice again."

SIU Swim, Mat Teams In NCAA

Several top-ranking individual performers are expected to perform well in NCAA championship wrestling and swimming meets this weekend, enabling Southern Illinois University to be represented among the nation's elite.

Catch Jim Wilkinson's wrestlers, beaten only by Oklahoma State, Iowa State and Moorhead (Minn.) State while winning 13 meets this season, are competing at Ames, Ia., while Coach Ralph Casey's once-beaten swimmers are in action at the Air Force Academy near Denver, Colorado.

NCAA College Title Coach at GC Dinner

Arad McCutchan, head basketball coach at Evansville (Ind.) College, will be guest speaker at the Granite City high school athletic awards banquet April 5.

The banquet, for basketball and wrestling teams, will be a smorgasbord in the school cafeteria, and will be climaxed by McCutchan's address in the school's auditorium.

Prejude to the featured talk will be the announcement of varsity and junior varsity letter winners in wrestling by coach Bill "Red" Schmitt and basketball by coach Ralph Sackett.

McCutchan is also athletic director and head of the physical education department at Evansville, in addition to his teaching duties. At present he serves as a member of the NCAA Rules Committee.

His 20-year coaching mark stands at 336 wins and 190 losses, including nine Indiana Collegiate Conference championships and three runnerup teams in the past 13 years. His 1959, 1960, 1964 and 1965 teams were national champions.

Mike Gravelle Practice Teaching At Dupu High

Mike Gravelle of Madison is currently doing student teaching in physical education and mathematics at Dupu high school, it was announced by that school's principal, John R. Bibb.

A teammate of Don Freeman on Madison high and University of Illinois basketball teams, Gravelle began his practice teaching at Dupu Monday and will continue until the latter part of April.

At present he is teaching physical education under the Dupu athletic director and former football coach, Don Brubaker, and one mathematics class.

Fete Freeman Here April 23 With Banquet

A testimonial dinner for Madison's Don Freeman will be held at 7 p.m. April 23 at Sunset Hill Holiday Inn, sponsored by a citizens' committee.

The committee honored the former Madison basketball star and current holder of three University of Illinois scoring records with a special "Don Freeman Day" at the Illinois-Iowa Big Ten game March 5. Gov. Otto Kerner issued a proclamation declaring that day statewide "Don Freeman Day."

Tickets for the dinner are priced at \$4 each, with a limit of 175 available. They may be purchased at the Madison high school office, or from any member of the citizens' committee.

"The dinner is Part Two of honoring Don as a great athlete and a gentleman," William F. Hoyer, a member of the committee, explained.

At the dinner, Freeman will be presented with a remembrance committee. Freeman's mother, Mrs. Raleigh Freeman, and possibly University of Illinois Coach Harry Combes will be in attendance at the dinner.

The list of dignitaries at the dinner has not yet been completed, but leading local and state citizens and officials are believed to be planning to attend.

Members of the committee include chairman: Vasil Gravelle; treasurer, Louis B. Reilly; and John Belloc, Orl Blumenstock, John Essington, Harold Fisk, Dr. Steve Geroff, John Haynes Hoelscher, Rev. Norman Owens and William Schreiber.

Coolidge Aide Out With Broken Jaw

Gary Proender, assistant Coolidge track coach, will be out with a broken jaw for six weeks, it was announced this week.

The seventh grade mentor suffered the mishap when a dentist was pulling a tooth last weekend.

Skip Hastings, head track coach at Coolidge, said he is working with the eighth and ninth grade squads.

Insurance of a call for seventh graders will await selection of a temporary replacement for Proender.

Stadium Committee Meets Tonight

A citizen drive to erect a football stadium at Granite City high school will get a boost tonight, when a Boosters Club committee will meet to finalize plans.

The meeting will be held at the race lane, at 8 o'clock. Dawes said the committee will complete plans to kick off the fund-raising project in the near future.

At present, an architect's drawing of the proposed half-million-dollar structure is being awaited.

Men's Beginning Swim Class Has Openings

Applications are still being taken for a men's beginning swim class at the Granite City YMCA, it was announced today.

The class, which meets every Thursday at 9 p.m., will be taught by Mike Jesse. The initial lesson will be free, and membership for the remaining lessons will be \$5 a month. Additional information can be obtained by calling Jesse at the Y.

Teen Town Basketball On Tuesday Nights

Basketball will be offered to Teen Town members at the Granite City YMCA every Tuesday from 8 to 10 p.m.

Participation in the program is limited to those under 20 years of age. Cost will be either a Teen Town membership or 50 cents a night.

Fletcher Wants Out As Kahok Grid Coach

Versatile Vergil Fletcher of Collinsville has told the Kahoks' school board he wishes to be relieved of his football coaching duties next season.

At present, Fletcher is athletic director and head coach in football, basketball and track. He also gave the board a recommendation for the grid position, but the board took no action at a meeting Monday night.

Slow Pitch Meeting Set for Monday Night

A meeting will be held Monday at 7 p.m. at the park office in Wilson Park for all managers in the open slow pitch softball league.

Supt. Harold Brown, in calling the meeting, said that due to the large number of teams some discussion is needed on possible changes in the league.

Record 68 Teams In GC Program

A record 68 teams have been organized for the Granite City park district's boys' baseball program this year.

The teams will involve 1030 boys, and more youngsters are needed for the program, Supt. Harold Brown said.

According to Brown, 29 more boys between the ages of seven and nine are needed for the Atom division, while 20 boys, aged 11 to 13, are needed for the Midget division.

The rundown of leagues and the number of teams is as follows: Bantams, 22; Midgets, 18; Juveniles, 13; Atoms 10 and Juniors five.

Boys' baseball gets under way May 18, with a traditional annual parade through downtown Granite City scheduled for May 21.

Dillon to Get Texas College Scholarship

Percy Dillon, a 6'11" jumping jack at Venice, will accept a full basketball scholarship to Texas College in Tyler, according to coach Bill Ohendorf.

In making the announcement this morning, Ohendorf said final arrangements have not been made as yet, but he believes Dillon will accept the college's offer.

As a senior this year, he led the Red Devils in scoring and rebounding with marks of 19.07 points a game and 16.2 rebounds per contest.

In his junior year, he averaged 19 points a game, shot over 40%, and collected 13 rebounds a contest.

He was also a member of the Press-Record's All-MCM Conference team for the past two years. This year, he was selected unanimously by the conference coaches.

GC's Hoffman Solid at Second Base for EIU

Glenn Hoffman of Granite City, a two-year letterman, stepped into the Eastern Illinois second base job nailed down for the upcoming season.

He is one of 12 returning lettermen at EIU in what coach Ben Newcomb describes as a "re-building year."

Last year, the Panthers were hurt by a host of injuries to several of their top pitchers. Newcomb said that much of the team's success this year will depend on the rookies.

Hoffman will team up with shortstop Bob Valiska to form a solid keystone combination in the infield, the EIU coach said.

The only Quad-Cityan on the Panther squad, Hoffman, is a right-handed 155-pound junior. Eastern Illinois kicked off its baseball season with a doubleheader at Indiana Central on April 4.

PAUL LAPINSKI

Ex-GC Matman Shines at SE Missouri State

Paul Lapinski, freshman at Southeast Missouri State College in Cape Girardeau, is one of the blocks on which that school is building its wrestling hopes.

This year Lapinski, who has a younger brother on Granite City's mat squad, paced the Indians in their second year of collegiate wrestling. The team recorded a 5-3 dual meet record.

Because the 115-pound weight division is optional in college dual meets, Lapinski managed to enter 11 matches.

Coach Ken Tillman said he has high hopes for Lapinski, who scored 12 takedowns in his opponents' six this season.

Scoring 69 match points, Lapinski was never pinned by an opponent this year. Tillman feels that with all of his wrestlers coming back next season, the Indians and Lapinski have a bright future ahead of them.

Board Hires Park Pool Manager and Assistant

The Granite City board of park commissioners approved hiring of a manager and an assistant manager for the Wilson Park swimming pool this summer at a monthly meeting last night.

Manager will be Richard Judd, a student at Southern Illinois University-Southwestern campus. He has worked at the pool for the past six years and has taught learn-to-swim classes. His salary was set at \$340 a month.

Assistant manager will be James Karandejev with a salary of \$300 monthly. He will be a lifeguard at the pool and work with the manager in connection with the learn-to-swim program.

The board approved purchase of 20 memberships to the Arlington golf course to be resold to the public for use this summer.

Supt. Harold Brown said work on softball diamonds is progressing, and that some trouble was encountered in the centerfield area. Low spots were noticed and are being filled in, but the field will be ready for the playing season on another burglary case.

IHSA Proposal Shot Down by National Group

The proposal by the IHSA advisory rules committee to do away with the fifth-foul-and-out rule was shot down by the national rules committee Tuesday.

The IHSA had adopted a resolution calling for the rule to be eliminated. Upon a player committing his fifth personal foul, the offending team would get two free throws and possession of the ball.

The proposal was made by the 25-member Illinois group, after state coaches voted against the idea by a 3-1 margin.

The IHSA also proposed that new players did not have to report to the scorer's table after halftime. No action was taken on that proposal by the national committee.

The national committee did change the period of time for putting an out-of-bounds ball in play. Now, the five-second limit will end when the ball is thrown in rather than when it is touched in the court.

Another change made by the national committee eliminated a technical requirement that an official give formal notice to a man removed from the game for five personal fouls. Five fouls would disqualify a player, but official notice will no longer be required.

Madison firemen were called at 6:25 p.m. Tuesday to the home of Richard Dunnivant, 828 Greenwood street, Madison, when an oil burner became overheated. There was only slight damage, firemen reported.

Federal Sewer Funds to be Sought for Eagle Park Acres

Preliminary steps to acquire federal assistance for the installation of a sewer system and sewage treatment facilities in Eagle Park Acres are being taken this week by the Eagle Park Improvement Association, according to Cleveland L. Outboard Motor Spring Tune-up Procedures

Although outboard motor manufacturers recommend that the spring tuneup be performed by factory-trained mechanics, many boaters prefer to do this important maintenance job themselves.

For these "do-it-yourself" mechanics, outboard engineers recommend the following steps:

First, remove the cooling and clean the entire unit thoroughly, including all accessible powerhead parts. Then take out the spark plugs and rotate the crankshaft by operating the starter in order to remove oil deposits that form in the cylinders and crankcase during prolonged storage.

Another important step is the inspection of spark plug leads for damage or deterioration, particularly where insulation comes in contact with metal parts. Check spark plug electrodes; if they're re-usable, their gaps should be set to manufacturer's specifications.

Exercise caution in replacing the plugs to avoid damaging the threads in the cylinder block. See manufacturer's recommendations for torquing spark plugs. Finally, be sure to reconnect each spark plug lead to its proper plug.

Check all fuel lines and fittings for damage or loose connections. Clean the fuel filters and inspect the starter cable for damage or deterioration.

Refer to the owner's guide for points of lubrication and lubricate as directed. A grease fitting located under the swivel bracket is often missed or forgotten. Good quality marine grease should be applied to this fitting.

Special attention is required for the lower unit and its various parts. After removing the vent and filler hole screws (along with families may be reimbursed up their garden), the gear lubricant recommended by the manufacturer should be inserted in the time.

Owners of outboards equipped with electric starters should have their batteries tested and recharged before using. During the summer, battery water level should be checked from time to time.

300 Attend 28th Installation Of Gabriel Shrine No. 78

Approximately 300 persons attended the 28th annual installation of officers of Gabriel Shrine No. 78, White Shrine of Jerusalem, Monday evening at the Masonic Temple.

The ceremony began promptly at 8 o'clock as the candlelighters, Cynthia Teaney and Dianne French, honored guest and senior princess of Job's Daughters, Bethel 43, entered the room. The Bible was placed on the altar by Mrs. Virginia John, Mrs. Karman Edmonds, Mrs. Clara Harbig and A. J. Mueller, Sr., past worthy high priestesses and past watchman of shepherds, and the tribute to the Bible was given.

The installing officers were then invited to enter. They were Mary Peters, worthy high priestess; Emmet Carragher, watchman of shepherds; Lida Thie, chaplain; Grace Bourton, scribe; Oa Downing, herald; Nita Mohlman, organist; and Ida Carris, guardian.

Those taking office were Katie Pennock, worthy high priestess; Toy H. Johnson, watchman of shepherds; Alice Woods, noble prophetess; Charles McCollum, associate watchman of shepherds; Ann L. Mueller, worthy scribe; Florence Spahr, worthy treasurer; Hulda Griffith, worthy chaplain; Alice Jones, worthy shepherdess; Irene Kessler, worthy guide; Carmela Burnett, worthy herald; Dr. E. L. Ackerman, first wise man; Charles Turner, second wise man; Ira L. Medcalf, third wise man; Wayne Richardson, king; Amy Cherry, queen; Florence Medcalf, first hand maid; Effie Johnson, second hand maid; Velma Carragher, third hand maid; Augusta McKissick, worthy organist; Agnes Ashauer, worthy guardian; Henry Ashauer, worthy guard; Edith Smith, courier; Cecelia Malotki, matron of honor; Virginia Miller, maid of honor; Lucille Lipe, Madonna; Carol Ann Luer, flower girl; Lois Jean Woods, arch; Emmet Carragher, Clay, Christian flag bearer; Guyula Stuart, banner bearer; Beverly Benoit and Thelma Pre-

wett, banner escorts; Margaret Michels, soloist; and William Pennock, stereophonic.

Tim Noud a DeMolay, was a flag bearer and Luther Smith and Harry Sharp served as escorts. The tribute to the flag was given by Mrs. Elizabeth Morrison.

As Mrs. Pennock was escorted to the altar she was presented with a colonial bouquet of pink and white roses by her granddaughter, Judy Axt, and the soloist sang "Hold Thou My Hand Dear Lord." She was then conducted around the cross by her grandson, David Axt.

The worthy patron was presented with a boutonniere by his granddaughter, Miss D. O. n a Tabor, and Elvin Kendall sang "The Place Where I Worship" as he proceeded to his station in the East, escorted by his granddaughter, Beverly Schwendemann. As the noble prophetess and the associate watchman of shepherds reached their stations in the west, Mr. Kendall sang "You'll Never Walk Alone."

Also presented with a bouquet of roses was Mrs. Amy Cherry. The presentation was made by Richard Woods, a grandson of Mrs. Alice Woods.

A past officers' jewel was given to the junior worthy high priestess, Mrs. Cora Hettick, by Mrs. Ida Carris. Another gift to Mrs. Hettick from her officers was a white Bible. Charles McCollum presented a white Bible to Delbert McKissick, who was unable to attend the ceremony, and it was accepted on his behalf by David John. There were also gifts from Mrs. Hettick from her officers and there was also a gift for Mr. McKissick from the officers.

Various officers and past officers spoke briefly and Mrs. Pennock introduced all Masonic affiliations, Job's Daughters, DeMolay's and her family. The watchman of shepherds also introduced his family.

Brown Gives Details on Rink and Park District Programs

Detailed information on plans for the Granite City park district's ice rink and recreational center to be constructed in Wilson Park, together with a resume of activities sponsored by the park board in the community were related to Granite City Kiwanis by Harold Brown, director of parks and recreation in Granite City.

The park superintendent spoke at the club's dinner meeting Monday at the Rose Bowl restaurant in conjunction with observances of "Kiwanis Boys and Girls Week." He was introduced by Robert Lombardi, Kiwanis youth chairman.

Supt. Brown reported that architect's plans for the new 83x185-foot ice rink and center are nearing completion, with good prospects that bids will be let by May 1. "It will take six to eight months to complete construction and the park commissioners are hopeful that work will begin in early June," he said.

In comparing the new rink to the St. Louis Arena, Brown said the local facility will be the same width, but 15 feet shorter. To freeze the surface, three 75-ton compressors will be installed, Brown continued, with thousands of miles of pipe embedded in the concrete surface. He explained that water will be sprayed on the concrete to form a 3/4" to 1 1/4" thickness of ice, that is then cut down and smoothed out by a zamboni, a large tractor-like machine. He added that it will take between 15 and 20 minutes to resurface the entire rink, which is to be covered with a 115x230-foot canopy roof.

The park official pointed out that a parking lot will be constructed in the area of the present outdoor rink and that the new recreation center will extend toward the children's playground.

Brown explained that by constructing the new facility in this area, none of the present playground and baseball areas will be changed. He added that during the summer months, the center can be used for conventions, club meetings, entertainment of various types and retailer's shows.

In describing other activities sponsored by the Granite City park district, Brown mentioned the weekly summer trips to the St. Louis Municipal Opera, with the \$3.50 cost per person also including air-conditioned, round-trip bus transportation. He said that 349 persons attended the winter theatre series conducted by the district. Last summer there were 13 different colleges represented by employees in addition to Granite City high school students.

At the present time, Brown related, there are ten memberships per day available at the park office for play at the Granite City Army Depot golf course and starting April 10, 20 memberships per day will become available for the Arlington golf course.

By far the largest program involves baseball, the park official said, with ten fields in use five days per week for league games. Ten additional fields are required each day for practice areas. During the coming season, he said, 850 games will be played, utilizing the services of 13-15 umpires each night. He added the district has ordered 100 dozen baseballs for the program.

In discussing personnel hired by the park board, Brown reported most of the summer instructors are college and high school students. To be eligible for employment in the park program, he said, the person must live in the district. Last summer there were 13 different colleges represented by employees in addition to Granite City high school students.

Trips to Cardinal baseball games and Grant's Farm are arranged each year for youngsters, with chartered excursions for adults to college football games and other events. Brown reported that nine recreational centers are operated in the summer months in cooperation with the local schools.

Statistics given on last year's participation in park-sponsored projects, showed 2432 boys, girls and adults registered in baseball, basketball, bowling, swimming, Smittes, Christmas craft program, golf, summer theater and tennis. Brown said 51,000 individuals used the park pool last year and more than 40 received swimming instruction; 1224 persons were involved in the park baseball program, including 600 high school age and adults.

At the present time, Brown related, there are ten memberships per day available at the park office for play at the Granite City Army Depot golf course and starting April 10, 20 memberships per day will become available for the Arlington golf course.

School Candidates Invited to Public Forum March 31

The three candidates for election to the Granite City school board April 9 are being invited to take part in a candidate forum at 7:30 p.m. Thursday, March 31, in the Central junior high school auditorium.

Forthright will be identical to the major candidate forum held a year ago. Each of the three will receive an identical list of questions this week for discussion at the public meeting. Attorney Randall Robertson again will be moderator.

Amvets 51, Auxiliary Go to District Meet

Members of Amvets Post 51 and Auxiliary attended a Fifth Division meeting in Mount Vernon Monday evening, where several state Amvets officials were honored as special guests. The local group also received membership "Certificate of Merit," presented by Mrs. Mary Rich, auxiliary division president.

GC Plans Fund Transfers to Retire Deficits

Deficits in six accounts of the Granite City general fund will be eliminated soon through transfer of monies from other accounts in which there are substantial balances. John Doherty, city comptroller, said this week. The monthly financial report was submitted to the council Monday night.

Deficits in the six accounts of the general fund total \$59,770. The city's special accounts include a \$34,788 deficit in the fund for maintenance of sewers and a \$45,281 deficit in the fund for various city improvements, but these will be handled by council action.

Doherty reported that total expenditures from the general revenue fund during the fiscal year beginning May 1, 1965, total \$1,068,981 against total available funds of \$1,208,180 for the entire year. The city now has an overall general fund balance of \$139,199, including those from which monies will be transferred to retire the deficits.

General fund deficits include: pumping station, \$123; general government, \$16,273; city hall, \$54,477; police \$22,956; humane officer and animal shelter, \$17,689; colliery, \$3,133; and school crossing guards, \$10,686. The funds from which money will be transferred to pay the deficit accounts include the excess tax commission account obtained through the city treasurer's office for tax collections in 1965. It has a balance of \$105,812.

Have Other Balances
The city also can draw

against the parking meter fund, with a balance of \$81,731, and the city's sales tax fund, with a balance of \$477,841.

Doherty's report shows that the 17 separate accounts of the general fund had balances totaling \$63,081 at the beginning of the fiscal year, and that receipts of \$1,145,008 increased total income to the \$1,208,180 figure.

Expenditures from the general fund for the first ten months of the fiscal year include the fire department, \$240,955, with a balance of \$19,080 for the remainder of the year to May 1; street department, expenses of \$196,808, leaving a \$31,625 balance; police department, \$265,546, against \$242,588 income for a \$22,958 deficit; garbage collection, \$128,121 expenses for a balance of \$14,333; and general government, \$91,694 expenses against \$65,420 income, leaving a deficit of \$16,273 and nearly two months of operation remaining in the fiscal year.

All accounts of special funds show a March 1 balance of \$825,921. Disbursements against total receipts of \$1,325,998, of which \$691,705 represented a balance at the beginning of the fiscal year.

Deficit Spending
While the deficit in the maintenance of sewers fund amounts to \$94,788, only \$17,232 was spent from this fund thus far during the year. This fund showed a deficit of \$102,561 at the beginning of the fiscal year, with receipts of \$25,005. The various city improvements fund had no appropriation or balance at the beginning of the year. Thus all

GC Airman Studying Language at College

Airman Third Class Keith Seitzer, 19, son of Mr. and Mrs. Donald Seitzer, 2306 East 25th street, has been selected for schooling as a Czechoslovakian language specialist, at the conclusion of his basic training this week at Lackland Air Force Base, Tex. He left Lackland by plane yesterday for his new assignment at Monterey College, an extension of the University of California, at Monterey.

A 1964 graduate of Granite City high school, Seitzer enlisted Jan. 21 in the Air Force. He had attended Southern Illinois University-Southwestern Campus for one year at Alton and was a part-time employee at Cohen's Market.

In a telephone call to his parents Tuesday, the local youth said he is to remain at the college until Dec. 12. After training, he expects to be assigned to Europe for possible service at a consulate or legation. During basic training, Seitzer earned an expert marksmanship medal. He was chosen to attend the Armed Forces Language School on the basis of various tests.

Final Concert of Season Tonight by GCHS Band

Varied selections will highlight the final concert of the 1965-66 winter season to be presented by the 110-member Granite City high school band in the high school auditorium at eight o'clock tonight.

In addition to season ticket holders, extra seating will be available with tickets on sale at the door.

Under the direction of Louis E. Meek, the students will present a repeat of their successful performance at the Music Educators' National Conference last week in Kansas City, Mo.

Selections to be performed include: "Manzoni Requiem," by Giuseppe Verdi; "Festive Overture," by Dmitri Shostakovich; "Ronda Marziale," by Arthur Frackenpohl; "Black Horse Troop," a John Philip Sousa march; "Dunedin," an English march by Kenneth J. Alford; "Valdres," by Johannes Hansson; "Sapper Patrol," by Alfred Young; "Morning, Noon and Night," by S. Von Suppe; and "Finale from Symphony in B Flat," by Paul Fauchet.

Area Ruled Out Tentatively for AEC Laboratory

The Illinois-Missouri metropolitan area has been tentatively ruled out as a prospective site for the Atomic Energy Commission's new National Accelerator Laboratory, according to Congressman Melvin Price, president of the area's Research Council. The cities under immediate consideration are Ann Arbor, Mich.; South Barrington, Ill.; a Chicago suburb, Madison, Wis.; Brookhaven, L. I., Denver, Colo., and a site near Sacramento, Calif., known as the Sierra Foothills.

The AEC is not limited to these sites, Price said. "Five of the cities (all except Denver) were chosen because of their proximity to qualified designers. Twenty of the designers are on the West Coast, 20 on the East Coast, and to scattered throughout the rest of the U. S."

The AEC facility is estimated to cost \$350 million and to be staffed with 200 scientists and engineers, with an annual operating budget of \$60 million.

City Hopes to Seek South Nameoki Road Bids This Year

Appraisals of property needed for the south Nameoki road right-of-way are progressing on schedule and the project may be ready for construction bidding later this year, it was reported to the city council Monday night by Mayor Partney and through a letter by the appraiser, Andrew Gasparovic III.

In preparing for the widening and improvements to the north section of Nameoki road, the council authorized the Light committee to confer further with Illinois Power Co. on installation of a new white way system about 150 lights. The firm is ready to order the concrete standards.

Council members spent four hours conducting a wide variety of business ranging from approving installation of 25 additional street lights as submitted two weeks ago to authorizing city trucks to be used Saturday with volunteer operators of the street department to haul fill dirt from the bluffs to the new playground being developed on American Steel Foundries property south of Niedringhaus avenue.

Complaint on Car Lot

Referred to the city inspectors and police chief was a petition requesting elimination of a used car lot at 20th and State streets as being unsightly and creating a blight in the area. The petition had 25 signatures of Labor Temple officials, school district officials,

lawyers and businessmen. The inspectors and chief were instructed to take measures necessary under governing laws.

Two notices of intent to file injury suits against the city were received and referred to the city attorney.

They were from Mrs. Norma Hulstetter, 2409 Bryan avenue, who said she was hurt the morning of last Sept. 16 in a fall at a stairway in the city hall building, and by Mrs. Elsie Taylor, 2834 Fortune drive, who said she was hurt in a fall on the morning of last Dec. 12 at the curb on the east side of Edison avenue about 85 feet north of 19th street.

Placed on file was a letter from the state Cities and Villages Municipal Problems Commission which is conducting hearings throughout the state including one this evening at Belleville.

Publication Bill

Referred back to the city attorney and to the comptroller was the problem of payment of a \$197 printing bill for publication of "Betnet's Profile by the People of Granite City." The bill has been pending for over a year.

City Atty. Allen had submitted an opinion to the council that payment was a city responsibility since the booklet had been copyrighted. Several aldermen said the city had committed itself by accepting the booklet sale proceeds from the author, Mrs. Gabrielle Betnet, former Sev-

enth Ward alderwoman, and taking in all unsold booklets, that the city might now be obligated. Voted down by the council was a recommendation by Alderman Sternberg that the city employ a design engineer to prepare an impartial report on the condition of the main fire station building. He said he was not satisfied with the report by the engineer for the architects and believed the city should learn if preventive maintenance steps need to be taken to halt settling and the cracks appearing in the tile walls.

The majority of council members said the building now is the city's responsibility and that nothing further could be expected from the designers. Sternberg replied that the impartial inspection could give the city needed information to prevent any serious damage if it was pending.

In conducting other business,

the council considered:

Truck Purchase or Lease

Referred to the Sanitary committee several proposals received for purchase or lease of a truck for the humane office.

Approved a resolution to be forwarded to the state highway department for an arterial designation of East 25th street between Nameoki road and Anchorage.

Placed on file a letter from Civil Defense Director Victor Koenig reporting that he is in Washington, D. C., attending the spring conference of the U. S. Civil Defense Council until next Sunday and that Floyd Mitchell would be directing CD activities during his absence.

Approved a resolution for a contract to be approved by the school board in which the school district would be permitted to connect the new junior high school near Pontoon Beach onto the city sanitary sewer system by installing the line, maintaining it and paying the city the tap-on fee and a monthly rental charge of \$6 to \$12 a month, based on enrollment.

Authorized \$300 expense money for two detectives, Joseph Nemeth and Harry Mitchell, to attend the Governor's Conference on Youth to be held April 12-15 in Chicago.

Referred to the City Hall committee bids for tuckpointing the civil defense building on 19th street.

Sales Tax and MFT

Accepted reports from the state on the city's motor fuel tax allotment of \$18,816 for February and sales tax collections totaling \$34,756 for December.

Turned over to the Street committee letters from the Gulf, Mobil and Ohio and the Norfolk &

Western railroads pointing out that required crossing signals had been referred to district engineers of the firm. The Street committee is to keep after the railroad company to make an appeal to the Street committee a request from St. Margaret Mary school for a sidewalk to be installed on the north side of Leonard avenue from Sunset to Wayne avenue.

An installation of parking meters along the Delmar avenue and the 20th street driveways at the old post office tract with replacement to be carried out after the park district completes its design for a new downtown park.

GCAARC President Leaves for France

Mrs. Evelyn Gavin, president of the Granite City Association for Aid to Retarded Children, left earlier this week for Europe, where she will participate in continental activities of the International Association of Retarded Children's Organization, to be held this weekend in Paris, France.

The GCAARC official, a special education teacher in the Granite City school system, at Lake School, also plans to visit schools and residential care centers in Amsterdam, Holland, and London, England, before returning home in early April.

DeMolays Attend Meet At Belleville Tuesday

Roger Mathews, master counsellor of the Granite City chapter of the Order of DeMolay, and five other members attended a District 4 DeMolay meeting in Belleville Tuesday night.

The others are David Bradford, Gerald Gray, Jim Naeve, Tim Thibault and Dwayne Pritchett. They were accompanied by advisors Charles Meyer, Dr. Amos Ridd and Gilbert Watson.

The next district meeting will be held in May at Alton.

Man Fined \$225, Costs

Paul Madewell, 21, of 4015 Nameoki road, was fined \$225 and costs on a charge of resisting arrest and \$100 and costs on a charge of disorderly conduct Monday afternoon in magistrate's court. He was released with orders to appear in court on Monday. He was arrested Friday night by Pontoon Beach authorities.

GC Steel Pays City \$4750 for 4 Streets, 4 Alleys

Granite City gained \$4750 to be added to a \$10,000 reserve fund for purchase of a new permanent fire truck in addition to the aerial ladder truck now on order.

The council Monday night accepted a \$4750 offer by Granite City Steel Co. for four streets and four alleys north of 21st street that extend 177 feet into the firm's north plant property. The city agreed to vacate the sections of Omaha and Quincy streets, Park avenue and an unnamed street, along with the alleys.

Mayor Partney pointed out the city soon will be calling upon the steel firm to dedicate a portion of its property along Nameoki road between East 23rd street and Edwardsville road to provide adequate right-of-way for widening the south end of Nameoki road to four-lane.

He suggested the \$4750 be earmarked for that purpose, but the council decided to use a wait-and-see policy and placed the money in the fire truck fund.

Two other ordinances were adopted Monday night pertaining to Granite City Steel. One permits a 50-year easement for "an 18-inch coke oven gas line to be installed under the east side of Madison avenue from 19th street to 10th street, and the other for a natural gas line to be installed under Edwardsville road at 19th street, subject to final approval by the state highway department.

M/Sgt. Ulaniski Arrives In Vietnam, Comments

Marine M/Sgt. Albert P. Ulaniski, son of Mr. and Mrs. Emil Ulaniski, 1614 Second street, Madison, has arrived in Vietnam.

He is stationed at Chu Lai, south of DaNang and on the China sea shoreline.

In his first letter home, he wrote that "there is nothing here but deep sand and extremely hot and humid weather. I guess this is just about as rough a place as one can expect to find in South Vietnam."

"I'm making it here, I can make it anywhere. By now you may have read in the newspaper or viewed on TV where we lost over 75 Marines here this date (March 6). So don't get excited, they didn't get down into our camp."

"I'm located in the center of Chu Lai and it will take a lot of getting for the V. C. to take this place to please, Mom and Dad, there is nothing for you to worry about."

His address is M/Sgt. A. P. Ulaniski, 53354, USMC, Headquarters and Maintenance Squadron 12, Flight Equipment, FPO San Francisco, Calif. 96602.

Lutheran Church Synod President Speaks Here

The Rev. Oliver R. Harms D.D., president of the Lutheran church-Missouri Synod was guest speaker at a World Mission Service held at Hope Lutheran Church this week. Also attending the service were representatives of the Synodical headquarters in St. Louis working in Missions, Education and Stewardship and faculty members of the Synod's two seminaries in St. Louis and Springfield.

After the service the worshippers viewed the Mission Fair set up in the church basement and were also given an opportunity to meet missionaries and board and committee members who direct the various activities of the Lutheran church-Missouri Synod.

Entertainment Personalities To Have Roles in Style Show

Curt Ray and Doty Bennett of St. Louis will serve as commentators Thursday evening, March 31, as 10 models will be on parade for the annual Fashion Show of the Granite City Junior Service Club to be held in the Granite City high school auditorium.

A veteran emcee, announcer and radio-television personality in midwest broadcasting circles, Curt Ray is currently host on Kmox-TV's "The Morning Scene."

Beginning his broadcasting career at the University of Iowa's radio station, he has been associated with numerous stations throughout the country and, in the world of entertainment, is now one of the most personable emcees in the business.

Doty Bennett, (Mrs. Curt Ray) has appeared with her husband on Kmox-TV morning programs since March 1958 and is currently broadcasting News for Children on the station. Well known to St. Louis audiences, she has been featured as a mistress of ceremonies, fashion model, and has appeared with some of the nation's top dance bands during her career. She has also appeared on local television stations as a songstress, and has made guest appearances on national network programs. Mrs. June Nightingale Branding, a former vocal music teacher in the Granite City schools, will be the featured vocalist on the show, the proceeds from which will be used to further the club's charity projects. In past years full scholarships were given to the Scholarship Foundation, the club assisted in furnishing a classroom at one of the schools, and assisted in other projects.

The following local stores are participating in the show: Sally Ann, Pauline's, Sally Ann, Libson, Helman's, Rich's, Tops 'N' Bottoms, Schermer Men's Shop, Trattler's, The Leader, Niebur's Shoe Store, Mandel's, W. T. Grant, and Norma's Maternity Shop.

Tickets may be purchased from any member or at the door. Serving as general chairman is Mrs. Bernice Fitzpatrick, assisted by Mrs. Faye Krause.

Belcher-Patterson Engagement

Mr. and Mrs. William R. Patterson of Collinsville, formerly of Madison, are announcing the engagement and coming marriage of their daughter, Miss Donna Marie Patterson, to Darryl O. Belcher, whose parents are Mr. and Mrs. Earl G. Belcher, 2808 Myrtle avenue.

The bride to be is a graduate of the Collinsville high school and is now employed as a teacher's aide at Webster junior high school in Collinsville. Mr. Belcher, a graduate of the Granite City high school, is attending Jewish Hospital School of X-Ray and Technology. He will graduate in June. Wedding plans are incomplete.

DAR Installs New Officers

The March meeting of Drusilla Andrews Chapter, Daughters of the American Revolution, was held Monday evening in the home of Mrs. Harold Bloomquist in Collinsville.

After the pledge to the flag and the regular business meeting the new officers were installed by Mrs. Eva Meier, the retiring regent.

They are—Mrs. Harry Johnson, regent; Mrs. Ralph Frohman, vice regent; Miss E. I. Ray Smith, treasurer; Miss Nelle Hart, secretary; Mrs. Thelma Mollie, historian; and Miss Morene Groshong, registrar.

The program for the evening consisted of recordings from the nation's DAR headquarters. They were "Citizens USA" and "Responsibilities of A Citizen."

Highly were present at the meeting. The April meeting will be with Miss Morene Groshong.

NEWLYWEDS RETURN FROM WEDDING TRIP
Mr. and Mrs. Kenneth Lee, who were married recently at St. Boniface Catholic Church in Edwardsville, have returned from a short wedding trip and are residing at 221 Adams street, Edwardsville.

The bride is the former Donella Morrison, a daughter of Mr. and Mrs. Neil Morrison of Edwardsville. Mr. Lee's parents are Mr. and Mrs. Edward Lee, 4011 Porton road. He is employed in Alton.

The ceremony was performed by the Rev. Ralph S. Guido.

BETROTHED, Miss Donna Marie Patterson, whose parents, Mr. and Mrs. William R. Patterson of Collinsville, former residents of Madison, are announcing her engagement to Darryl O. Belcher, a son of Mr. and Mrs. Earl G. Belcher, 2808 Myrtle avenue.

B&PW Spring Fashion Show This Evening at Elks Club

Final plans have been completed for tonight's spring style show of the Granite City Business and Professional Women's Club, an outstanding event of the season each year.

This year's show, to be held at 7:30 this evening at the Elks Club with Mrs. Betty Walls as general chairman, will display the latest styles from Rich's Dress Shop and Burdette's Hat Shop and makeup for the models will be furnished by the Merl Norman Co.

The members of the club and the children of the members will serve as models and Mrs. Nina Bigley is to be the commentator. Featured on the program will be Mrs. Henry Simmons, vocalist and Mrs. Lela Runkle, violinist, both of Collinsville, and Mrs. Ruth Bonn, pianist, also of Collinsville.

ON
SALE!

Every year as of April 1st we must fill out a Personal Property Tax Schedule on every item in our huge store and warehouse inventory, just as you do on your own personal property.

For this reason we've decided to take mark downs on all merchandise in our inventory that is 3 months old or older and sell it out prior to April 1st during our Annual Personal Property Inventory Reduction Sale. We hope to accomplish two things by cutting prices like this. First of all we hope to reduce our inventory and therefore cut our tax bill. Secondly, we hope to make room for all the new spring merchandise that is now beginning to come in.

Listed below is only a partial inventory stock list... thousands of other items are on sale but not listed... check the lists and then hurry in to see the many items not mentioned... quantities are limited. All items are subject to prior sale.

SOCIETY

Mrs. James New Club President

The Junior Service club of Granite City elected Mrs. Rosa James as its new president at a monthly meeting Monday evening at the civil defense building.

Miss Helen Parsaghiann, president, presided and reports were submitted by Mrs. James, Mrs. Mary Schaffner and Mrs. Jo Anne Gaumer.

The club donated \$100 to the Madison County Mental Health Center here.

Mrs. Bernice Fitzpatrick, chairman of the annual fashion show March 31, announced the commentators, Dotie Bennett and Curt Ray.

Petitions for eight new members were accepted.

The election of officers followed nominations by Mrs. Louise Kovar. Others elected were Mrs. Jo Ann Gaumer, first vice-president; Mrs. Dotie Meikamp, second vice-president;

Mrs. Audrey Jaro, recording secretary; Miss Kathleen Obichin, corresponding secretary; and Mrs. Candy Kawula, treasurer.

New board members elected were Mrs. Mary Schaffner and Miss Flora Mae Lending.

Installation ceremonies will be held April 18 at Three Flags in St. Louis county.

Miss Parsaghiann announced the annual Federation dinner-dance March 26 at the Fairmont Hotel, Collinsville. All proceeds will be donated to the children's department at Alton State Hospital.

Those attending included Mesdames Marilyn Bodman, Eva Burns, Helen Giesemann, Audrey Jaro, Candy Kawula, Fay Kraus, Evelyn Morris, Mary Schaffner, Vivian Vaughn, Jean Ann Vrenick, Sandra Domitrovich, Charlotte Pullman, Kay Reel, Billie Schuler, Carol Shea, Evelyn Todd and Gladys Wagner.

The board meeting will meet April 11 at the Den.

WCS Elects Mrs. Robeff

The Women's Society of Christian Service of Trinity Methodist Church held a monthly meeting Monday evening at the church with final plans made for the annual mother-and-daughter banquet at the church April 25.

Election of officers for the year was held. Those elected were Mrs. Wanda Robeff, president; Mrs. Ruth Weston, vice-president; Mrs. Sarah Metcalf, secretary; and Mrs. Jacqueline Dillard, treasurer.

Hostesses for the meeting, Mrs. Alberta Raub and Mrs. Maide Brainard, served a dessert luncheon to 33 members.

Welcome Wagon Club Meeting

A highlight of the Welcome Wagon Club Meeting Tuesday evening at the Granite City Trust & Savings Bank was a talk, "An Approach to Learning," by George Gergeoff of the Granite City Steel Co. speaker bureau.

Slides also were shown. Mrs. Myrtle Hackney presided at the meeting, and the chief topic discussed was a spring project which is in the planning stage.

Refreshments were served to 15 persons, and announcement was made of the next meeting April 26, when R. B. Wickham, science demonstrator for Southwestern Bell Telephone Co., will present "Information on the Move."

THIS I BELIEVE

(Revival Apr. 3-17 with Nancy Hudson, from Centralia, Ill.)

Faith is made up of in Whom and in What we believe. True Faith is made up of believing in Jesus Christ according to the Scriptures. This means according to the Scriptures properly understood.

To know the Holy Scriptures in the sense God intended requires an open heart and mind. If you have that kind of heart and mind, United Pentecostal Church is the place for you.

Our theme: The Whole Gospel to the Whole World is a message to a whole.

It is not possible for us to know what you have been told about The Church, but for a correct view you should personally find out.

More Bible is Believed, Experienced, and Practiced in a Full Gospel Church. More Benefits are found in a Whole Gospel Faith.

Why settle for less? There is a deeper experience and a better way.

Sunday Schedule:
Sunday School, 9:30 A.M.; Worship, 10:45 A.M.

Evangelism, 7:00 P.M.;
Tuesday, Young People, 7:30 P.M.;
Thursday, Bible Class, 7:30 P.M.

PASTOR KENNETH V. REEVES

MARRIED RECENTLY. Mr. and Mrs. John Mullen, whose wedding took place at St. John United Church of Christ on Nameoki road. The bride is the former Mrs. Nancy Batson Ray.

BROWNIES PRACTICE CROATIAN DANCE

Brownies of Troop 330 of the Niedringhaus PTA, at a weekly meeting Monday afternoon practiced a Croatian dance, accompanied at the piano by Mrs. Mary Elmore. They also pantomimed a poem, "Tulip Time," in practicing for the March PTA meeting.

Final plans were discussed for a Wabash train trip March 28, to St. Louis and back.

Bunny boxes the scouts have made were collected and will be sent to Alton State Hospital as Easter gifts for the elderly.

Present were Barbara Baumberger, Sue Ann Culp, Anastasia Elieff, Debra Elmore, Magdalene Frintzko, Margaret Goins, Nancy Greer, Terry Hawkins, Kathy Lawson, Joanne Martin, Rebecca McCommis, Carol Smith, Robin Stanton, Linda Thompson, Barbara Weldon, Donna Choat, Rhonda Clonka, Brenda Mueller, Lisa Rankin, Candy Shemonia, Beverly Edwards, Sheila Thomas, Jerry Baugus, the leaders, Mrs. Queenie Elieff and Mrs. Mary Frintzko, and Mrs. Mary Lawson, committee chairman.

THIRD BAPTIST CHURCH
EVANGELISTIC SERVICES

Evangelistic services will be conducted at the Third Baptist Church from Monday evening through April 3, Rev. Carl Watkins, pastor of the Walnut Street Baptist Church, Carbondale, will speak each evening.

Special music will be furnished Monday night by a group from St. Louis. Tuesday will be "Sunday school night." Wednesday there will be music by children's choirs, and Thursday will be "men's night." Dr. Morris will be song director.

A "coke party" will be held Friday after the services for junior high, senior high, college and career groups. On Saturday night, young children will be responsible for encouraging attendance. Final night will be parents' night, Rev. Eugene Phillips, pastor, reports.

Monken-Shuck

Nuptials

Mr. and Mrs. Ralph Monken, with their son, Daniel, and son-in-law and daughter, Mr. and Mrs. Franklin Arbetter and their children Franklin and Laura, have returned from Kokomo, Ind., where they attended the wedding of their elder son, George Monken, and Miss Vicki Dee Shuck, a daughter of Mr. and Mrs. Edward L. Shuck of that city.

The ceremony took place at West Christian Church March 19 with the Rev. Lyons officiating at the candlelight service. A reception followed in the church Fellowship Hall.

Pvt. Monken will report to Fort Devens, Mass., for training in the Army Security Agency.

He recently completed basic training at Fort Leonard Wood. While he is away, his bride will continue to reside with her parents.

Others from Granite City attending the wedding were Mr. and Mrs. Harry R. Taylor and daughter Marie, Mr. and Mrs. Gerald Roderick, Mr. and Mrs. James Schmiedake, Mrs. Betty Schmiedake and daughters, Bonnie and Nancy, and James Alsop. Mr. Taylor, an uncle of the bridegroom, his brother-in-law, Mr. Arbetter, James Alsop and Mr. Roderick, a cousin of the bridegroom, were in the wedding party.

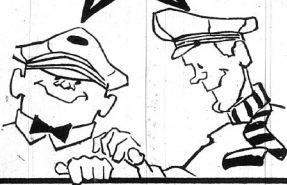

After the wedding ceremony and the formal reception at the church, Mr. and Mrs. Shuck entertained the out-of-town guests, the immediate families and close friends at their home.

Gee, what am I doing wrong?

The boss said to me the other day, "You know Perry, I'm afraid the public doesn't think of Tri-City Grocery Company with a quality image in mind. It seems as if they all think of us as low price people, which of course, we are. But, we are lacking in that quality image."

Well now, I've run that statement over in my mind and, boy golly, we certainly should have a quality image. Claude Miller buys only the best meat. Bill Lange purchases all number one produce going directly into the farmer's fields. Our private label merchandise such as C.W. brands are all graded fancy and you don't go any higher than that. Our Jersey Farm brand items are certainly as good as can be sold. We handle all the top national brands and how

can you beat such names as Del Monte, Hunts, Campbells, Green Giant, Pillsbury, Betty Crocker and hundreds of others?

Now doggone it, is the boss trying to ride me because my ads aren't getting the quality idea across or is he pulling my leg?

Well, I hope you, Mr. and Mrs. Consumer will take some time to just let us know what you think of the quality of our merchandise. Just pick up a Suggestion Envelope in any of our supermarkets and let us know your feelings.

Thanks a lot, you may help me get a raise. Gosh, I hope it doesn't boomerang the other way.

Sincerely,
Ralph Perry, Advertising Manager

Easter Seal Campaign Begins This Weekend

Amvets Post 51 Plan Easter Egg Hunt

Plans for an "Easter Egg Hunt" and improvements to the club parking area were discussed last night at a meeting of Amvets Post 51, 619 Lake first vice-commander, presided.

Robert Harrison will arrange the annual children's Easter project to be held on the club grounds at 2 p.m. Sunday, April 10. Floyd Tucker announced that 80% of the club remodeling project is completed, with work to start next week on grading and enlarging the parking area for an additional 30 to 40 vehicles.

A membership report disclosed a new high total of 115 members, which resulted in the local unit receiving a merit certificate at the Amvets 5th Division meeting earlier this week. Tucker announced the next divisional meeting will be hosted by Post 51 on June 5.

Movies taken at several club functions were shown.

Sacred Heart's Menu For Friday was Omitted

The Sacred Heart school menu for Friday was inadvertently omitted from the listing in Monday's issue. The youngsters' hope of a holiday tomorrow were dashed Tuesday when school authorities telephoned the Press-Record to advise the newspaper of the omission.

There will be school tomorrow and the menu for lunch will be—Scrambled eggs, fried potatoes, lettuce and fruit gelatin.

leaders of the county along with campaign trailers and captains in Alton Monday night, attended by six Quad-Cityans.

Moske said the Roca Young Men's Club and St. Elizabeth's CYO will aid adults in this weekend's door-to-door solicitations, and the Future Homemakers of America at Granite City high school and a group of girls from the Madison high school will participate in the April 1 "Lily Parade" for sale of lily flowers. Last year the Madison County Easter Seal Society aided 376 handicapped children and adults, and the county goal is \$30,000.

READY FOR SEEDING AND PLANTING is Granite City's new downtown park where the old post office stood. The site now is almost identical to an early 1900 view shown in a picture taken prior to the post office construction in 1911. Park commissioners last night outlined preliminary plans for planting 25 trees.

Vietnamese Friendly To U.S., Speaker Says

John A. Smith, chief of material supplies at the Granite City Army Depot who recently returned from an inspection trip and inventory assignment in Saigon, Viet Nam, was the speaker Tuesday noon at the regular meeting of the Granite City Rotary Club in the YMCA.

Smith spoke generally on conditions in Saigon and its vicinity, pointing out that at no time did he find a hostile attitude by South Vietnamese against the United States. He illustrated his talk with slides that showed the harbor at Saigon and supply activities there.

5 Area Ford Salesmen Among Honor Group

Five salesmen of the B. E. Froh, Inc. will be among 380 Ford dealership car and truck salesmen of the St. Louis district who will be honored for outstanding 1965 performances at a banquet at the Chase-Park Plaza Hotel Saturday.

They are T. V. Dineff, Bobby George, R. E. Baker, Carl E. Lewis and James R. Parker.

Park Board Calls for Bids On Ice Rink-Center Bonds

Approval of a resolution calling for the bids on a \$475,000 bond issue for the ice rink and recreation center was given by Granite City park commissioners last night. Bids will be accepted until 5 p.m. Tuesday, April 19.

Randall Robertson, park attorney, said that since the board does not have a fiscal agent, it will handle the sale.

New Three-Year Wage Pact Ok'd By Area Laborers

An agreement on a three-year wage package for AFL-CIO construction laborers of 12 Illinois counties—including Madison—was signed Monday between representatives of 12 labor locals and the Southern Illinois Builders Association and the Southern Illinois Contractors Association.

The agreement provides an annual wage increase of 20 cents, for a total of 60 cents for the three-year period. The agreement was hailed as another step in the program to secure labor peace throughout the Illinois area through long term agreements. Signing of the contract is four months in advance of the expiration of the current contract which is due to expire Aug. 1.

Charles Parker, of the Laborers Local 267 here, said the contract would involve between 350 and 400 laborers during peak construction periods.

Laborers now receive \$4 an hour in metropolitan areas and \$3.85 an hour in rural areas. The contract, when all related issues are settled, will cover 6300 laborers who do heavy and highway construction work. Other terms of the contract are being worked out and are not expected to present any difficulty, officials said.

The advance contract signing ceremony to the agreement presided Jan. 29 with 5000 carpenters and 3000 members of the operating engineers union—giving assurance of labor peace far in advance of contract terminations. Contracts with the carpenters were not to expire until Aug. 1 and the operating engineers on Dec. 31, 1967.

New wage agreements with the same 60-cent wage package also were signed Monday by the 12 laborers locals engaged in regular building construction work. James Mason, spokesman for the laborers, said he was certain the agreement will be acceptable to local building construction workers in the Illinois area.

Mason said some union locals want to negotiate some phases of their contracts to bring about uniformity in working conditions, but the overall wage increase is expected to be "satisfactory to everyone."

Fred Wuelter, president of the Southern Illinois Builders Association and Michael P. Kealey Jr., president of the Southern Illinois Contractors Association, signed the agreements in behalf of management.

2 Appointments By Mayor Partney

Mayor Partney announced two appointments Monday night that were confirmed by the city council. Mrs. E. A. (June) Karandjeff was named to the Animal Shelter board, and Frank Fuzzessery was named to the Granite City Housing Authority board.

Mrs. Karandjeff succeeds Mrs. Harriet Juda and will serve until May 1, 1967. Fuzzessery, who was named to the housing board to fill a vacancy, now is being named to a full five-year term, subject to approval by the state housing authority.

Mrs. Juda, a member of the Animal Shelter board since it was formed, criticized the board's lack of authority in submitting her resignation. She condemned the city's muzzle-leash law for dogs as unnecessary unless an animal is dangerous.

She suggested that cat controls also be extended to cats and other animals, and that cats should be licensed. She also recommended that owners of female dogs not spayed should be obligated to buy an expensive license.

Mrs. Juda said the Animal Shelter board was being used as a "buffer" for the council Sanitation committee which is actually responsible for any laws now being enforced.

"I see no reason to buy a city license if pets are suppressed; and if the leash and muzzle law is to be enforced without any tempered mercy, then dog owners should get busy and see that all the other laws on the books are enforced—pertaining to animals and otherwise," Mrs. Juda informed the council.

"It is with deep regret that I feel necessary to resign. My principles will not allow me to remain a part of something in which I have no faith. Further, I refuse to take the blame for other people's actions."

Aldermen stressed the need for restraining laws to protect people and property, and Mayor Partney remarked that St. Louis was patterning a leash-muzzle law after Granite City's. Alderman Nann suggested Mrs. Juda be sent a letter of commendation for her work on the board.

A weekly meeting of Den Three of Pack 13, sponsored by the Holy Name Society of St. Elizabeth Church, was held Monday afternoon in the home of Mrs. Louis Brusatti, 2112 Main avenue.

Mrs. Ray Uram, assistant den mother, conducted the meeting, opened with a flag ceremony. Tom Beatty carried the American flag and Mark Brusatti carried the den flag. Brad Bickhaus led the pledge of allegiance. The scouts formed a living circle, with Joe Uram leading the club promise.

Theme for April, "Mother Nature's Backyard," was presented and the boys made a holder for birds' nesting material. Refreshments were followed by a game period.

Present were Gary Kaseberg, Jeff McIlroy, Robert Rapp and those named.

BADGES AWARDED
This pledge of allegiance and Girl Scout promise opened a meeting of Girl Scout Troop 135, sponsored by the Maryville PTA Monday afternoon.

Mrs. Betty Bell, leader, awarded badges to those who had completed work on different projects. The remainder of the meeting was spent singing scout songs and playing games.

Answering roll call were Cathy Gusewille, Priscilla Butler, Debbie Bell, Cheryl Bennett, Karen Boyett, Pam Gage, Janet Kelly, Patty Lathrop, Mary Mitchell, JoAnn Stout, Patty Tester, Kim Thompson, Peggy Whittington, Judy Mabry, Claudia Brown, Renee Malzynski, Bella Rae Blankenship, Stephanie Johnson and the co-leader, Mrs. LaVerne Malzynski.

Next meeting will be at the school March 28.

EASTER PROJECT
A weekly meeting of the Brownie troop sponsored by the St. Elizabeth Altar Society was conducted Tuesday in the school music room. Work continued on bunny boxes which are to be taken to Alton State Hospital for distribution at Easter.

Attending were Carol Hamling, Cheryl Hamling, Diane Marcus, Barbara Miller, Dawn Portell, Jayne Harding, Mary Beth Henry, Kathleen Krobovich, Jennifer Powderly, Lisa Intriere, Rose Marie Braun and the leaders, Mrs. Colleen Hamling and Mrs. Shirley Schilling.

PRESBYTERIAN WOMEN MEET

The evening circle of Nameoki Presbyterian Church met Tuesday evening with Mrs. Edith Arbogast, chairman, presiding. The lesson, entitled "Jonah in the Fish," was presented by Mrs. Irma Taylor. Missionary news of the day and prayer were given by Mrs. Louise Thompson, world service chairman, who also spoke on the need to work on more cancer bandages.

Mrs. Sylvia Cross, fellowship chairman, announced Lenten services and the Spring Presbytery to be held in Alton March 30.

Mrs. Lou Pyle, hostess, served refreshments to those named and Mesdames Bonnie Britton, Fern Mitchell, Bea Pyle, Jean Lybarger and Willa Mae Mitchell. The hostess decorated the dining table in pink and white and with an arrangement of spring flowers.

The group will meet again April 26 at the church.

VIETNAM PROGRAM PLANNED AT COOLIDGE

The executive board of Coolidge junior high school PTA met Monday evening for a monthly session.

Mrs. Vee Thorne, president, conducted the business meeting. A slate of officers for the coming year was presented and accepted, with the election to be held March 28 at the PTA meeting.

A letter was received from the Junior Minerva club, urging memberships in the Madison County Mental Health Society.

Announcements from the Federation of Junior Service Clubs announced annual fashion shows.

Mrs. Thorne said the program Monday will be slides of Vietnam shown by Capt. Charles L. James from the Army Depot. Also on the program will be Kenneth Graham of Granite City who has won many speech contests.

The public as well as parents of students enrolled at Coolidge may attend.

GIFTS TOPIC OF TROOP
Junior Girl Scout Troop 1007 held a weekly meeting Monday afternoon at Frohardt school.

with the leaders, Mrs. R. C. Russell and Mrs. Bob Voss. Patrol Three conducted the opening ceremony, leading other members of the troop in the pledge of allegiance and Girl Scout promise, followed by a song, "G for Generosity."

Main topic was gifts for Mother's Day. Outdoor games were played.

Those attending were Millie Plesner, Debbie Jonn, Sherry Gilliland, Darla Smallie, Maureen McFain, Sandy Voss, Rosemary Harolan, Donna Calk, Darla McGarvey, Reida Diffo, Jeanne Turner, Cathy Miller, Dawn Voss, Cindy Johnson, Janice Sparks, Cindy Hanks, Donna Milton, Christine Roth, Elizabeth Spinks and Nancy Russell.

ALTAR SOCIETY HAT SALE

A monthly meeting of the St. Elizabeth Altar Society was held Tuesday evening in the school cafeteria with 61 members and one guest, Mrs. Helen Hawkins.

Mrs. Lillian Wilson, president, opened the meeting with prayer, followed by reports given by committee chairmen.

Mrs. Ann Pare requested volunteers to assist with the monthly fish fry given by the Holy Name Society.

Mrs. Helen Favier reported on the annual school picnic and asked for more mothers to help in coordinating the games May 18 at Wilson Park.

Mrs. Lorraine Palladin announced a Christmas bazaar Nov. 5 and 6, and Mrs. Turck thanked Mrs. Virginia Scherer for supplying Madonnas used at each meeting.

Mrs. Annalise Gyarmati presented a check to Sister Mary Bernard to be used for the school library. Easter bonnets were displayed and a successful hat sale followed the meeting.

A prize went to Miss Julianne Hoebeck's fifth grade class for the largest number of mothers present.

A Madonna was awarded to Mrs. Range.

Refreshments were served by a committee of five, with Mrs. Kathy Busch as chairman. The tables were decorated in yellow, and the centerpiece was an arrangement of spring flowers encircling the Madonna.

Next monthly meeting will be April 28.

EMB CIRCLE MEETS

The Every Member Busy circle of Nameoki Methodist Church held a monthly meeting Tuesday evening in the home of Mrs. Mary Jo Heim, 1740 Primrose avenue.

Opening prayer was by Mrs. Dorothy Luckert and a program, "Concern and Communications," was presented by Mrs. Ruth Hancock.

Miss Morene Gresham, chairman, announced a Women's Society of Christian Service rummage sale March 28 at the Old Fellows hall. The meeting closed with prayer by Mrs. Betty Weston.

The hostess served refreshments to those named and Mesdames Pat Kent, Bernice Sawyer, Mildred Nancy, Virginia Carrul and Vivian Gluka and Miss Jane Elkins.

Mrs. Gluka invited the circle members to her home, 3149 Davis avenue, for the meeting April 26.

MOTHER'S DAY GIFTS

Mother's Day gifts to be made by members of Browne Troop 414, sponsored by the Marshall PTA, were discussed Tuesday afternoon. The meeting was opened with the pledge of allegiance and Browne promise, followed by singing of two scout songs.

Mrs. Virginia Cantlon, co-leader, took roll call and the troop went outdoors to play a game.

They later completed work on "sit-upons" and bunny boxes. Refreshments were served by Mary Kay Smith and Cindy Cagle.

Attending were Terri Dix, JoAnn Warren, Faith Crawford, Karen Hoover, Kathy Nunn, Beverly Werner, Debra Husted, Peggy Landreth, Rose Marie Wiser, Carol Cardon, Patricia Coleman, Cathy Elmore and the leader, Mrs. Lorraine Dick. The next meeting is scheduled for March 29.

Dow Diamonds Install Officers

The Dow Diamonds of the Dow Metal Products Co. held a dinner meeting Tuesday evening at Trader Vic's restaurant, in St. Louis and installed new officers for 1966. Forty were present.

Dinner was served at 6 o'clock in the Gallery Room, and the invocation was given by Miss Eve Loman. The tables were decorated with pink and white floral centerpieces and favors of hyacinth lint dusters in pastel shades.

Miss Helen Cullop, assisted by Miss Loman and Mrs. Allegra Majors installed the officers. They are Mrs. Verneta Sepmeyer, president; Mrs. Beverly Jones, vice-president; Mrs. Winnie Newkirk, secretary; and Mrs. Marie Gnoth, treasurer.

Mrs. Kay Deering conducted the brief business session during which reports were given by the retiring board members, Miss Clara Dombach, Mrs. Karen Hooper, Mrs. Sepmeyer and Mrs. Betty Smallic.

Special guests were Gerhard Ansel, plant manager; Mrs. Ansel, and Cassel Pursell, manager of the Jackson, Mich., plant. The Ansel entertained the group with slides taken on a 24,000-mile tour of the Orient and Japan last June.

The table centerpieces served as prizes and they were awarded to Mrs. Martha Hankins, Mrs. Helen Presley and Mrs. Marie Bayer.

BRIDE-TO-BE. Miss Pamela Lancaster, fiancée of Robert Rood, a son of Mr. and Mrs. James Rood of Troy. The engagement of the pair is announced by the bride-elect's parents, Mr. and Mrs. George Lancaster, former Granite Cityans now residing in Troy.

Miss Lancaster Is Engaged

One of the earliest of the spring engagements announced is that of Miss Pamela Lancaster, a daughter of Mr. and Mrs. George Lancaster of Troy, former Granite City residents, and Robert Rood, whose parents are Mr. and Mrs. James Rood, also of Troy.

Both young people are graduates of Triad high school and

the prospective bridegroom is attending a St. Louis business college and is employed in St. Louis where Miss Lancaster also is employed.

Citizens Group Calls for Tighter Auditing

Protests over several provisions in Nameoki township's 1966-67 tentative budget were voiced by township residents at the town board's public hearing Monday evening. The new budget, amounting to \$170,135, a reduction of \$192,3 from last year, is to be adopted at the annual town meeting Tuesday, April 5. Town officials agreed to boost the auditing figure to \$1200 from the tentative \$250.

At Monday's hearing, members of the Committee for Economic Improvement of Nameoki Township questioned road and rabies control items and recommended the new budget include a \$1200 appropriation to provide "a comprehensive audit and expense item be increased to \$1200."

Added Features
William Gary, budget sub-committee chairman for the citizen group, requested the change in auditing procedures. He said the estimated \$1200 fee had been determined through consultation with reputable CPA firms, which also offer the specialized managerial efficiency survey service.

Nick Vasiloff, town attorney, queried the legality of appropriating funds in the new budget to finance an audit of the previous fiscal year's expenditures. He said in his opinion "we can't spend money that hasn't been levied for services connected with last year." An appropriation could be included in this year's budget to finance such an audit and survey at the conclusion of the new fiscal year, he explained. He is to study the statutes further.

Gary explained the auditing survey may result in considerable savings to the township. Vasiloff pointed out it could backfire and result in added expense and increased taxes to the township, "if the recommendations show we need more services."

The committee's spokesman said a letter from the state auditor's office stated that any group of citizens or an individual citizen may request an audit, but he admitted the official had not advised how the audit was to be financed. Following further discussion, the \$250 audit fee was changed to \$1200, pending approval at the annual meeting.

Other Complaints
Other complaints by township residents centered on the high costs of maintaining township roads, a \$860 item for rabies control and a \$1000 travel-transportation expense listed for the highway commissioner.

Sharp disagreement arose between Michael Ropac, president of the citizen committee, and Highway Commissioner Charles Hanks, after the latter started there are about 76 miles of roads

in the township. Ropac said an unofficial survey made by the committee showed only one-third of that distance. Hanks offered to drive over the roads with representatives of the committee. Gary said, even if the 76 miles was correct, the 1964 road fund expenditures of \$135,000 would indicate \$1500 per mile. Figures from another township listed road maintenance expenses of \$700 per mile, he commented.

Concerning the \$1000 annual travel expense for Hanks, Supervisor Briggs explained the commissioner is authorized to use his own vehicle when the township scout car is occupied elsewhere.

Duties of the rabies control officer and complaints about his response to calls were discussed at length. Carl Macios, a citizen committee member, commented on the reported lack of investigation concerning a small boy bitten by a dog which later died.

Briggs replied that the dog's body was exhumed and examined in East St. Louis.

The supervisor said that no record was kept of the number of calls answered by the rabies officer. Macios replied that numerous calls had been made about stray dogs in various township residential areas, with no response. Several large packs of strays have frightened children, he added. Briggs said the rabies officer is only responsible for special cases involving animals that might be diseased.

Macios also queried a possible duplication of services in this area with the Madison County business.

GC Clean Air Board Renames Thomas Boker

Thomas Boker was re-elected chairman of Granite City's Air Pollution Control Commission at a meeting of the group last night at the city hall.

Also renamed for one-year terms were Henry Bienenfeld, vice-chairman, and William Krause, secretary. Boker and Sidney Womack were named to a sub-committee to prepare a budget to be submitted to the city council. Included will be a salary for a technical secretary.

It was announced officials of the state Air Pollution Control Board will not be able to meet with the local commission on April 9, as planned, to discuss the city's control ordinance and a possible exemption certificate for the city. A new date is to be set.

Rabies Control office. He said, an official at the county humane office said that if the township had a dog catcher, the strays could be housed in the county dog pound on a fee basis. One of the auditors pointed out the county department had refused to accept dogs caught in the township. It was agreed by the board members to discuss the situation with county authorities to determine if an arrangement was feasible.

A regular meeting of the board was held following the public hearing, with only routine area with the Madison County business.

Michel to Head Elks Lodge Here

A. E. "Tony" Michel, operator of Michel's Jewelry and Gift Shop, was elected Tuesday night as 1966-67 exalted ruler of Elks Lodge 1083.

He and other new officers will be installed April 12 at a public installation, the second such public ceremony in the lodge's history. Richard Kraft, a past exalted ruler, will be in charge of the installation.

Michel is a trustee of Sacred Heart Catholic Church, president of the Catholic Charities board, its delegate to the United Fund and publicity chairman and past grand knight of Knights of Columbus Council 1008.

He is past president of the Granite City Optimist club, former chairman of Chamber of Commerce, treasurer and a member of the St. Elizabeth Hospital advisory board, Moose, Eagles, fourth-degree K. of C. and Holy Name Society.

Other new Elks officers are C. O. Parker, leading knight; Ranny Rich, loyal knight; Robert Hendrickson, lecturing knight; Edward Jenkins, secretary; Arthur Buente, treasurer; Fred Buente, tiler; Raymond Willard, three-year trustee; Edwin Vackel, two-year trustee; Michel, delegate to the grand lodge convention to be held in Texas this fall; and James R. Kenney, retiring exalted ruler.

New members initiated were Calvin C. Bosworth, Harvey R. House, John C. Haynes, Marvin C. Waggoner, Melvin C. Williams, Elwyn H. Holton, Robert M. Warfield and Maynard C. Mercer.

Newland Pleads Innocent in St. Louis Appearance

Carl F. Newland, former Granite City minister, appeared in St. Louis circuit court yesterday to plead innocent to two grand jury indictments charging him with stealing by deceit in connection with the Presidential Investment Co. scandal in Missouri.

Newland, former president of the firm, was released on \$8000 bond signed by a professional bondsman. His whereabouts had been unknown after he left his home in Galesburg, Ill., earlier this month.

MORE ABOUT

Madison County

the other four areas sampled is due to the lack of steel foundries in those locations.

Madison County also ranked first in calculating pollution in the classification of steel mills as a pollution source. Here again, the lack of steel mills in the other five sampling areas resulted in no readings in these districts. Madison county registered 11,488 tons per year in the steel mill classification, compared to nothing in the other five areas.

Madison county also is listed first in particulate pollution from coke plants, with 84 tons per year against 9 tons per year in the city of St. Louis, only one of the steel testing areas.

The Madison County coke plant, The Madison County listing of coke plant emission obviously is for the Granite City Steel Co. blast furnace in St. Louis, which is the only operation of its type in the county.

The fourth first-place record for Madison county is a 3384-ton annual reading of particulate pollution from all sources other than those polluted during tests made by the air pollution engineers.

This would include a varied number of sources not included in regular categories.

Madison was placed on an equal reading with the city of St. Louis in the amount of particulate pollution emitted by coke processing, with a reading of 18 tons per year of particulate pollution in each location. Here again, the only Madison County coke processing plant is Nestle Co. coke processing.

Sulphur Oxide Pollution

Sulphur oxide pollution is broken down into two categories: from sulphuric acid manufacturing and from all other sources other than direct manufacturing processes. Here again in Madison county ranked first in the category of sulphuric acid manufacturing, with 11,488 tons per year. There is no direct manufacturing process in the county. Madison county registered 384 tons per year in the other sources class, with St. Clair county registering 2435 tons per year, and the city of St. Louis registering 2435 tons per year.

St. Louis, in the category of sulphuric acid manufacturing, St. Clair county was in first place with 11,488 tons per year. St. Louis county second with 8663 tons per year.

Madison county produced a 2,188-ton reading of pollution from sulphuric acid manufacturing, superphosphate manufacturing and cement plant emissions in 1985. The city of Venice, Illinois, written for a period of ninety (90) days, and the proposal of bond attached hereto, and having as surety such company or companies approved by the City, and authorized to transact business in the State where the work is located, must accompany each bid as a guarantee that the contract will be entered into and awarded.

Madison county also had no record of pollution from nitric acid manufacturing, and no record of pollution from hydrocarbon emissions from industry.

More pollution in particulates is reported in Madison county than in any of the other six areas of the pollution study, the report states in particular, the city of St. Louis county, the city of St. Louis, St. Charles and Jefferson counties, Mo., and Madison, St. Louis and Monroe counties in Illinois.

During the 1985-86 tests, the report goes on, Madison county registered 35,157 tons per year, emitting 50,105 tons per year, with St. Clair county second with 30,986 tons, and St. Louis county third with 24,146 tons.

Madison county placed second in the emission of two other types of pollutant-sulphur dioxide and nitrogen oxide. Although the county has no plants directly manufacturing these compounds, the pollutants came from other sources which produced them in industrial nature. Madison county registered 138,177 tons per year of sulphur dioxide, and 179,880 tons per year sampled in St. Louis county.

The report shows Madison county registered 35,157 tons per year of nitrogen oxide, placing second to St. Louis county which recorded 50,105 tons per year in sampling there. St. Clair county

registered 35,157 tons per year.

Medical notes

Madison County Home Adviser

Beware of Health Swindles

Health swindles come in many disguises.

Third, how did you hear about it? If the treatment was advertised or promoted in a pulp magazine or by a faith-healer group, or by some crusading organization of laymen, be skeptical.

Honest researchers do not try to stimulate interest in their product by using a public utterance to draw attention to a drug has been thoroughly proven and accepted by other scientists. They do not expect sick people to be guinea pigs for unproved remedies.

Finally, ask your doctor. If he is unable to express an opinion, ask the Food and Drug Administration or your local health department or medical society.

The Food and Drug Administration publication is a description of some 38 kinds of false treatments and products from air purifiers to wrinkle removers.

You can obtain a copy of this publication, "Your Money and Your Life," from the Food and Drug Administration, 1114 Market Street, St. Louis, Mo.

Choosing Clothes Colors

With the wide range of colors in spring fashions, many women question which colors are most becoming to them.

No matter which colors are "popular," a woman's personal coloring determines which colors will look best. Generally, cool colors look best on women with cool coloring, and warm colors look best on women with warm coloring.

This does not mean, however, that the cool type can't wear any warm colors or vice versa. An individual can use the opposing colors as accents while selecting the basic colors of her wardrobe from the color group to which she belongs.

Cool colors range from the greens to the violets. The warm colors range from red-violets to the yellow-greens. Women who have cool coloring have fair skin and black toward the red-violet.

They have gray or blue eyes and fair or black hair. Women who have warm coloring have a warm skin tone and black toward the red-violet.

GOLDEN AGE DINNER

The Golden Age club held its monthly pot luck dinner Thursday at the Kirkpatrick Homes recreation center, with 65 members present.

The dinner was opened with prayer by Rev. Philip Burke of the Good Shepherd EUB Church. Guests were Mrs. Rose Miller, Mrs. Mabel Hulse, Cal Pendleton, city clerk, and James Barton, tax assessor. An out-of-town guest was Mrs. Lena Richards of Baltimore, Md.

Games were played and prizes were given to those participating.

MITCHELLETS MEET

The Merry Mitchelllets 4-H club held its March meeting at Mitchell school, Monday evening, called to order by Miss Doris Ferro, president. The American flag pledge was led by Miss Kathy Parker and the 4-H pledge by Miss Janet Bug.

Plans were made to make baskets for the hospital for Easter. The members are to bring them to the April meeting. A gift will be given for the prettiest and most original basket.

The club elected a new vice-president, Miss Gayla Carver. Miss Nancy Halderman demonstrated making a vegetable tossed salad. Miss Cathy Brown gave a talk on table etiquette and Miss Doris Ferro on kinds of milk. Roll call was answered by 25.

Four new members enrolled were Misses Marsha Clatts, Paula Mathis, Susan Stamps and Rita Gobbie.

Also present were Misses Marie Arnold, Terri Ashburn, Cathy Brown, Janet Bug, Gayla Carver, Vickie Cripps, Sharon Ernst, Doris Ferro, Nancy Halderman, Pat Ashburn, Jean Huff, Jackie Jensen, Sheila Lawson, Donna Molear, Jo Ann Metz, Kathy Parker, Kathy Sanders, Mrs. Arlene Halderman, and the leader, Mrs. Shirley Schilling.

FIRST COMMUNION

Cathy Voloski received her first Holy Communion Sunday at the 9 a.m. Mass at St. Margaret Mary Church. She is the daughter of Mr. and Mrs. Jerry Voloski, 3064 Wayne avenue.

A dinner was given in the late afternoon at the Voloski home in honor of Cathy by her parents. Gifts were presented to the honoree.

Guests present were Mrs. Eva Jenders, her grandmother, of Little Rock, Ark.; Mrs. Leona Voloski, also her grandmother, Mrs. Doris Besserman, the great-grandmother; and Mr. and Mrs. Tom Voloski and daughters, Karen and Sharon. Mr. and Mrs. Frank Kierski and children, Eugene, Richard and Debbie, Mr. and Mrs. Andy Besserman and children, Linda, Marilyn and Andy Jr., Frank Bladdick and Jerry and Michael Voloski, brothers of Cathy.

The Missionary Society sponsored a time of light refreshment and fellowship Sunday following the evening worship service at First Church of God, 2904 Pershing Blvd.

Most of those at the worship service stayed through the refreshment period, which serves the dual purpose of helping to raise funds for missionary work and providing an informal get-together.

Gloria Jackson was in charge of arrangements. Dorothy Stone is Missionary Society president.

DEDICATION SERVICE

Clifford Wayne Lindsay, infant son of Mr. and Mrs. George Lindsay, 2281 Delmar avenue, was dedicated in the morning service at First Church of the Nazarene, 2500 East 25th street. Rev. George H. D. Reader was in charge of the service.

GIRL SCOUTS ENTERTAINMENT Girl Scout Troops 177 and 709 presented a play Monday evening at Marshall school to entertain parents.

Brownie Troops 140 and 414, led by Mrs. Lorraine Dix and Mrs. Vivian Davis, were guests of the two troops. Gwen Cagle was narrator for Troop 177, and Cindy Simpkins for Troop 709. A pantomime song was given by Debbie Sanders, a 12-year-old. Members of both churches are to attend. Refreshments will be served and the group will assemble in the sanctuary for a closing devotion.

Two Bridge Crashes 20 Minutes Apart

Four autos were damaged, two of them extensively, in two separate accidents occurring near the same spot on the west end of McKinley bridge, in Venice, within a 20-minute period last night. The first occurred at 11:30 p.m. when a car driven by Arminius Braun, 4140 S. 40th, stopped for traffic and was struck from the rear by a car driven by Mike McGill. Both cars were headed east about 100 yards west of the superstructure.

At 12:10 p.m., cars driven by William H. Clark, St. Louis, and Arthur Johnson, Maplewood, Mo., collided in almost the same location. Venice police reported they were unable to determine the cause of the accident and said both cars were completely demolished. Three sections of bridge railing were torn out. The Venice fire department sent a truck to the site to wash the gasoline off the bridge pavement.

Clark was arrested on a charge of destruction of city property and posted \$25 cash bail pending a hearing April 6.

The Ladies' Missionary group met at Faith Chapel General Baptist Church Monday evening. An election of officers was held, and plans were made for Bible school.

Those present were Mrs. Lucy Colbert, Mrs. Stella Kirkover, Mrs. Bernice Myers, Mrs. Nell Woods, Mrs. Lavon Linhart, Mrs. Tommie McNeely, Mrs. Carol McNeely, Mrs. Janice Smith, Mrs. Dorothy Nicholson and a guest, Mrs. Alice Myers.

SKATING PARTY Young people of Faith Chapel General Baptist Church went on a skating party Monday evening with young people of the Hartford Church.

Those who attended were Gary and Danny McNeely, Fanny Basques, Leonard Wilson, David Byrum, Bill and Gene Howard, Phyllis Donaldson, Theresa Colbert, Lyra and Angie Wanda, Nancy Yunt, Rhonda, Stanley and Louise Hacker, Chester Whylers and Jan and Danetta Butler. They were accompanied by Jack Colbert and Henry McNeely.

Revival meetings will be held at the Faith Chapel General Baptist Church March 25 through April 3, at 7:30 each evening. Evangelist Cleus Gobbie will be guest speaker.

Real Estate Lien System Unfair

To the Editor:

Regarding the article on "Lien" in the March 17 edition, if this article is right our law-makers should not have no time in amending laws which allow real estate to be a catch-all for any old debt.

The law as it now stands does the following things:

(a) It relieves the man who hires the contractor of paying his just debt.

(b) It encourages the contractor to do sloppy work and to get a padded bill. Why should the contractor care about the poor credit rating on the part of the man who hires him, or care about how he does the job when he can always go to the county clerk and slap a lien on the property for his money with only the excuse that he was hired but not paid?

(c) It definitely penalizes the man who owns the property. It would be difficult for a resident landlord to say he did not know the work was being done; but what about the man who lives away from his property? If he only checks on his tenants when he collects his rent, or if his rent is mailed to him, the tenant must pay out hundreds of dollars of lien on the property without the owner knowing it.

I have heard various people say that any lien except a tax lien, has to be lifted after seven years.

They say that a lien is like other debts in that if the creditor hasn't succeeded in collecting after seven years, he is out of luck. I wish one of our local attorneys would answer this point.

RETAIN EAGLE AT PARK AS SYMBOL OF U.S.A.

To the Editor:

H.S.B. should know that President John F. Kennedy wasn't born when "the eagle" was put on the Granite City post office more than fifty years ago. Therefore, there is no connection between the two.

The eagle should be preserved and properly placed in the area bounded by 20th street, Delmar and Niedringhaus avenues. It is symbolic of the strength of the good old U.S.A. and should never be a memorial to any individual.

There were three assassinated presidents before JFK. I am not speaking disrespectfully of the late president, but why all the memorials and fuss over JFK? Each of the other presidents, whether fallen or not, had some good qualities which should be recognized, too.

There should be one memorial to JFK and that in Washington, D.C. Not a duck-pond, park, air field, etc.

Personally, I hope the committee in charge of that particular area and the eagle memorialize him in naming the park.

Older residents of Granite City can remember when that area was Circle Park, which could have some sentiment, also.

Child Custody When Marriage Fails

(A public service of the Tri-City and Illinois Bar Associations)

What happens to the children when a married couple decides to separate? This common question is often one that is difficult to answer.

Contrary to popular belief, the children are not automatically awarded to the victorious or innocent party. Even after a marital case has been settled, the problem of child custody remains for the court to determine.

At the time a divorce is filed, or a suit of "separate maintenance" is allowed to the court, the judge is allowed to give the child to the parent he deems to be in the best interest of the child.

\$12,183 Bill List

Ok'd by GC Council

A bill list totaling \$12,183 was approved Monday night by Granite City council members. The top payment was \$5000 for settlement of a claim against the city by Burdette, who was hurt two years ago when struck on the head by a rock by a van. Another was for operating a city sewage logging machine at the time.

Other major payments were \$200 to G. L. Crawford, an associate for traffic engineering services in February, and Erwin C. Hoelscher, Washington University professor for services to the Pollution Control Commission.

Leaders Agency was paid \$72 for premises on the Illinois Avenue police for the city's playground on Lincoln Place property owned by American Steel Foundry and for police covering two school crossing guards.

Expense allowances approved were \$100 for March for Victor Koenig, city defense director, and \$300 allowances for February and March for services to the city by Burdette, who was hurt two years ago when struck on the head by a rock by a van. SIU-SW Dedication Planners 'Thinking Big' Regarding a Truly Big Occasion

Those planning a year-long dedication of Southern Illinois University's Southwest campus beginning May 13 are "thinking big."

It is fitting that the various observances involve numerous people and many phases of intellectual endeavor, because such a major state university is a significant new element in the life of the surrounding territory, Illinois, the nation and the world.

As has been pointed out, countless Quad-Cityans and others have a personal stake in the campus through their gifts for its acquisition, their participation in its activities and their interest in seeing it develop as rapidly as possible to meet the needs of prospective students, local communities, research fields and diverse academic-cultural-recreational programs.

With two buildings already in use, two more to be ready this fall and a fifth opening next January, a nucleus of considerable size will be in operation by the time the dedicatory events have been completed. The task remaining then will be to make such a fine start only a prelude to even greater progress for SIU-SW in future years.

Only One Way Left to Avoid Radar Arrest

Current use of multiple radar speed timing units on an around-the-clock basis signals a clear warning to Quad-City motorists: There is no place or time in which they can be sure they are not being observed by the all-seeing eye of law enforcement authorities.

Glancing in the rear-view mirror may once have been helpful in avoiding arrest, but there now is only one way to "outwit" a law police—follow the letter and spirit of all traffic laws at all times.

Don't forget: In the spring, turn the clock one hour forward and your wife's age one year backward.

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

Inner Ear Involved in Vertigo

Children at play sometimes make themselves dizzy by whirling and then stopping suddenly.

On occasion, you have probably experienced this same type of dizziness when you turn your head or rise from a stooping position quickly.

This momentary feeling of dizziness occurs when sensitive receptors in your inner ear do not keep up with quick movement and, consequently, are delayed in playing their change in position to the brain.

Dizziness Without Motion

Some times, however, dizziness may occur when there is no motion at all.

When this happens, the dizzy sensation may produce a strong feeling that your whole body is rotating, or that your environment is revolving around you—a condition known as vertigo.

If vertigo is persistent or severe, or accompanied by nausea, it is a definite warning that something is wrong—most likely in the inner ear.

Varied Basic Causes

Any number of things may cause vertigo by triggering a disturbance in the inner ear.

ANEMIA can affect the inner ear by preventing sufficient blood from circulating to this important organ.

EMOTIONAL AND NUTRITIONAL UPSETS may disturb the circulatory system, causing spasmodic contractions of inner ear blood vessels.

OLD AGE, which brings about hardening of the arteries, frequently results in poor blood circulation to the inner ear.

INFECTIONS IN THE MIDDLE EAR, TEETH, TONSILS, ADENOIDS OR SINUSES can cause inflammation in the inner ear. The same holds true for the chronic infections of mumps, measles and whooping cough.

Injuries, Allergies

SUDDEN BLOW TO THE HEAD frequently injure the delicate inner ear. And they need not be severe. A flat hand blow to the ear may cause as much damage as a concussion.

ALLERGIES TO CHEMICALS AND DRUGS, such as quinine, may cause excess fluid to accumulate in the inner ear.

MEMBER'S DISEASE, a serious disorder of the inner ear, also causes excess fluid to accumulate.

Such a variety of causes necessitates a variety of treatments. Sometimes merely correcting a simple digestive disturbance will give relief. Drugs that thin blood vessels often help too.

Ultrasonic Treatment

In extremely severe cases of vertigo, surgical or ultrasonic destruction of certain inner ear tissues may prove effective.

If you suffer persistent or severe dizziness, heed this warning before you have an accident, and before the condition becomes chronic.

Although not all forms of dizziness can be cured, they ALL can be relieved.

Added Hours to Aid Persons Filing Medicare Applications

Ralph Brasher, district manager, said today that the East St. Louis Social Security office is expected to retire immediately.

Persons 65 or older by Jan. 1, 1966, have until March 31, 1966, to sign up for Supplementary Medical Insurance benefits. Those who do not file by March 31, Brasher pointed out, may have to wait for another chance to sign up and will have to pay a higher premium for the Supplementary Medical Insurance.

Disturbing County Law Enforcement Gap Must Be Ended by Supervisors

There is something shocking and disturbing about a situation in which duly authorized sheriff deputies of a county tour unincorporated business establishments, note a large number of law violations and feel powerless to do anything about it because of the vague wording of the law and past dismissals of test cases. Yet this is what happened last weekend when eight taverns were found violating the closing law, one of them catering to a crowd of over 100 persons as late as 3:30 or 4 a.m.

Taverns are a legitimate business and have every right to function within the limits of prevailing law. But when any law is ignored, the implications go far beyond the particular issue or people, weakening the whole structure of law by law, as opposed to mob action or a dictator's whim.

County Liquor Commissioner Landolt, every member of the Madison County Board of Supervisors and citizens generally had better do some soul searching, and quickly. Such a situation is not "politics" but an intolerable departure from sound governmental practice.

We wonder how Granite City and Venice tavern owners, required to observe 1 a.m. municipal closing laws, feel toward their county board representatives, who in nearly every case have voted to block action on a law clarifying unincorporated area closing hour enforcement? Competition with rural taverns certainly is not very equal or fair, thanks to the supervisors.

Constructive Attitude by Commerce Commission on Hazardous Crossing

The Illinois Commerce Commission has taken a constructive step in scheduling a hearing at Mitchell April 7 on the need for warning devices at the hazardous Maryville road railroad crossing. Action is urgent, and the ICC has recognized this by providing an early opportunity for all facts to be brought out.

Now that the hearing has been set, it will be important that a thorough documentation be presented by those seeking an ICC order requiring flashing lights, gates or other protection.

Anyone with knowledge of past serious accidents at the crossing should bring this information now to Rev. John Giacomoni at the Mitchell Presbyterian Church.

National Recognition of Quality Of Granite City High School Band

Participation by the Granite City high school band, directed by Louis E. Meek, in the program of the Music Educators' National Conference, held at Kansas City, is an honor to the band, the school and the Quad-City community.

Only the most outstanding instrumental and vocal groups in the nation are asked to perform for the music educators during their annual five-day meeting. GCHS was one of three U. S. high school bands invited.

First-Born Aided by More Attention

A sure-fire argument starter has been supplied by the American Association for the Advancement of Science, which says first-born and only children are more likely than younger brothers and sisters to attend college, achieve high grades and gain entrance in adult life.

Several studies have reached the same conclusion on this point, the AAAS has advised the Press-Record.

Why is this true? The reason may be not genetic but instead the differences in the amount and kind of attention paid to children by their parents. It is suggested by William D. Altus of the University of California, Santa Barbara.

Reviewing his own research and that of many others, Altus says that the first-born child's dependence on adult norms and higher expectations of achievement.

Affirmative Approach

This, he concludes, makes the first-born "respond more affirmatively to the teacher and to the school."

"Such a child thus more frequently was the teacher's approval, further augmenting his tendencies to do that which is expected of him as a student," Altus writes in the Jan. 7, 1966, issue of "Science."

Also on the subject of children, the American Institute of Biological Sciences says youngsters, and first-borns in particular, are the victims in most cases of accidental poisoning.

A program, composed of music of a high-grade quality, scores from European countries, and a closing with a realistic conception of home life in Bulgaria, will be given at the auditorium of Granite City high school April 1 under auspices of the Tri-City Bulgarian Relief Association.

Rev. Bagranoff of Madison will be in charge.

As a climax to the evening's entertainment, Rev. Bagranoff has planned a series of stereoscopic views, showing Bulgarian life, to accompany his talk on the land of his birth.

The government has issued a circular calling attention to the fact that there is a serious shortage of raw material for manufacturing of paper, including rag and old papers. It says the collection and saving of rags, and old papers would greatly better existing conditions for American Manufacturers.

The Granite City Municipal Baseball Association, organized recently, was fully completed at a meeting held in the Moose Club. The constitution and by-laws were adopted, and franchise money amounting to \$90 per team was deposited with the treasurer.

A complete budget of expenses was adopted. The club found that there will be ample money in the treasury to finance the teams through the season, and also to buy a suitable living cup as a trophy for the winners of the pennant.

The male choir of the German M. E. Church visited William Rauh at his home, 218 E. street. He has been ill for several weeks and the visit was made to cheer him up.

25 YEARS AGO

MARCH 24, 1941

Mrs. Mamie Eisenmayer, Mrs. J. J. Braden and Miss Phyllis W. Braden were sponsors of the meeting of the Ladies Coterie held in the Presbyterian Church.

Mrs. J. J. Braden was hostess to the guests at a spring blossom decorated the parlors.

Mrs. Eisenmayer, program chairman, discussed "City Manager Enabling Bills for Illinois Municipalities" and explained advantages of the bills.

Mrs. Braden talked briefly on "Gardens and Mass Weeds" and spoke on the "Origin of the Architecture of the Taj Mahal."

The topic for the afternoon was furnished by Anna Frankard, a guest "Invited" by Huhn and a "The Swallows" by Bingham, accompanied at the piano by Miss Pauline Johnson.

Refreshments were served to 24 club members and the following invited guests: Mrs. R. O. Huff, Mrs. A. E. Parnell, Mrs. R. E. Chapman and B. T. Roussey.

The Methodist Guild of Madison met with Miss Annie Laura Hill, 1683 Third street. After the opening prayer, Mrs. H. E. Richardson led a lesson study.

Roll call was answered with "Religions." Ladies in attendance were Mrs. Edna Jones, Mrs. Dorothy Loeffler, Mrs. Margaret Kent, Mrs. Ethel Perry, Mrs. Helen Richmond, Mrs. Opie McMahon, Mrs. Edna Foster, Mrs. Grace Johnson, Mrs. Cornelia Hommert, Mrs. Fay Little, Mrs. Justine Carter and the hostess.

Miss Agnes Zydel entertained the local Chi Sorority at a pre-dinner party in the Zydell apartment, 1233 Niedringhaus avenue. The girls spent the evening playing bingo, and favors were given to Miss Elva Scherger and Miss Arlene Jones. Ten were present, and refreshments were served by the hostess at a cost of \$1.00 per person.

Mrs. Pat Doyle of Rural Route 24 entertained the following invited guests: Mrs. H. A. August, Mrs. Phil Hildebrand and Mrs. Thos. Doyle and children of St. Louis, Mo. Mrs. E. Doyle of Alton and Mrs. Francis Daniel.

Mrs. H. E. Earney and daughter, Laura Frances, Mrs. James Doyle and Mrs. A. Chessey.

NO GUARANTEE THAT STOCK VALUE WILL RISE

I have 106 shares in a mutual fund and lately this has gone up and down. I have some money I made on selling a house and hold a 6% mortgage on the house for \$23,500. I also have a home in which I am a widow 64, with one year until retirement.

I would like to invest some money in blue-chip stocks, but I am afraid to take a chance. I fear another stock market crash. Would you help me make up my mind by assuring me there is not much of a risk in the market today? I don't want to be pressured into anything.

A. No one can assure you that the stock market will be at any particular point at any time in the near or distant future.

Change Always Occurs

I am sure we will continue to have serious breaks in the market and I am equally sure that over the long run, the stock market will recover and go on to new highs as it always has in the past.

The mutual fund you own is one of the best-managed mutual funds available and you should have no concern about your money in it.

I suggest that you pick three top-quality securities and buy them regularly with the income and principal from your mortgage, using a monthly investment plan (MIP) with a good broker.

As a starter, you might ask your own bank's trust department to suggest the names of several good stocks you could purchase. You could also stop at two or three brokerage offices and ask them to suggest a few of their best men to talk to. Experience is the best teacher.

Police Cases Up in GC—Accident Rate Declines

An increase in police cases 18 cases was six more than in February last.

In connection with the cases, the detective bureau conducted investigations with 397 interviews.

The monthly accident report showed 120 crashes, down nine from February 1965. In the accidents there was one fatality and 43 persons were hurt in 25 of the crashes. Traffic arrests during the month totaled 200, 117, and 224 crashes were filed, up from 108.

LINDA DAVIS

Linda Davis to Hold Fashion Show Friday

Linda Davis, daughter of Mr. and Mrs. Gerald Pinkerton, 3004 National avenue, will conduct a fashion show entitled "Go-Go Around the World" at 7:30 p.m. Friday in the Six, Baer and Fuller River Roads department store.

Playing at the show, to take place in the mail window, will be the Coachmen, Granite City teen combo.

Miss Davis, a senior at Granite City high school, said the show is connected with the Bobbie Brooks national fashion board which has a scholarship program for girls across the nation.

Each girl competes by completing a monthly project sent to her in the mail by the corporation. The projects are graded by special judges.

The girls will attend a convention in June when the top 12 finalists will be announced. They will advance to competition in New York City where five winners will be selected. Scholarships range from \$500 to \$1000. The fashion show is the last project the local girl will complete before attending the convention.

SIU Educator Named For Project Head Start

A Southern Illinois University educator has been named regional training officer for Project Head Start operations in the lower half of Illinois and the southwest quarter of Indiana.

Rebecca Baker, associate professor of elementary education, said her work will be in Illinois counties from Springfield and Decatur south and in 35 counties of Indiana. It will be done under a grant of nearly \$35,000 awarded Southern Illinois University by the U. S. Office of Economic Opportunity.

The SIU program, Miss Baker said, is involved in inservice training in community action projects that already have been granted funds. Primarily they are year-around projects, she said, dealing with persons who work with children from three years old to school age. Her work will be with project directors.

Named to Honor Roll

Cynthia Zahn, daughter of Mr. and Mrs. Gerald D. Zahn, 1741 Third street, Madison, has been named to the honor roll at MacMurray College, Jacksonville, for the first semester ending last January. She is a sophomore.

Draft Deferment Tests to be Held At SIU-SW Campus

The Selective Service college qualification test will be held at 46 colleges in Illinois on May 14, May 21 and June 3, including the Southern Illinois University-Southwestern Campus, it was announced today by John H. Hammack, state director of Selective Service.

Application cards for the test and information bulletins will be available at any Selective Service local board in the state on or about April 1. Applications must be postmarked not later than April 23.

To be eligible to take the test an applicant must be a Selective Service registrant who intends to request deferment as a college student. The test score itself will not determine eligibility for deferment but will provide local boards with evidence of a student's aptitude for continued college work. The test will be given on the same dates at examination centers throughout the U. S. Complete instructions are contained in the bulletin of information.

Named to Dean's List

Carole Lenn Cuchna, daughter of Mr. and Mrs. Leonard M. Cuchna, 1617 Lindell Blvd., has been included in the dean's honor or rank list, according to a notice received from the University of Missouri where Miss Cuchna is majoring in business administration in her freshman year.

GCSS Sr. Leadership Plans Work Day April 1

The Senior Leadership club at Granite City high school will hold its semi-annual work days on April 1 to help finance a spring trip to Trout lodge.

The girls will do odd jobs, including washing cars, waxing floors, raking yards, washing windows, dusting furniture and ironing clothes for 75 cents an hour per girl from 9 a.m. to 5 p.m.

School will be dismissed for the day because of a teachers institute.

Mary Lanahan is general chairman. On the committee are Judy Winfield, co-chairman; Adele Travis, publicity; and Agnes Pisel, food. Jobs for the girls may be scheduled by contacting club members.

Cheerleader Tryouts On April 6 at GCSS

Granite City high school will hold tryouts for cheerleaders for the 1966-67 school year on April 6 in the girls gym where judging will be conducted by a committee of students and faculty members.

Applicants must be active Red Peppers, must have parental permission and must attend three of five practice sessions. Screening will be held March 30, with the girls to be judged on ability and appearance. Finalists will receive a special practice session on April 6.

More than 400 Southern Illinois University students are involved in part-time work under the student work program.

Beat the St. Louisans to HOLIDAY SHORES

The dam is in, the water's 20 feet deep already, and you can get first choice of lots in newly-opened sections.

The season is about to start at Holiday Shores, the private lake community just north of Edwardsville, and you ought to see it now!

Holiday Lake is 20 feet deep right now at the dam and will be ready for use by the time the weather turns warm to stay. Work has started on the clubhouse, marina, beaches, docks, and picnic areas around the 17 miles of picturesque shoreline.

More than 600 families have already guaranteed themselves hours and days of pure

delight this summer, by buying property at Holiday Shores. Some have started building homes. Others won't build for some time to come—but they still will have access to all of Holiday Shores' facilities.

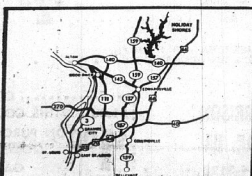

Now we're ready to open several new sections. If you come out this week, you can take your pick of lots in attractive areas on both sides of the lake—before we advertise them throughout the St. Louis area.

Furthermore, prices are bound to go up as the community develops. That's another good reason for you to drive out now, and reserve your lot.

County EOC Hiring Workers To Study Program Needs

Applications are being accepted this week by the Madison County Economic Opportunity Commission for a neighborhood survey-takers to conduct a county-wide program development appraisal. Those hired will receive \$1.50 per hour and must come from low income families. Specific work hours have not yet been determined for the project which is expected to get under way by April 1.

Survey-takers, working in their own neighborhoods, will collect information to be used in determining which areas are in need of the greatest amount of assistance and the types of programs required to alleviate poverty conditions.

Where to apply: Those interested in employment should send an application to Charles D. Hampton, 1035 Bissell street, Madison, chairman of the EOC personnel committee, or may apply in person today at the county EOC branch office in the Venice city hall.

Maurice S. Harris, Madison county EOC director, will be available for consultations at the Venice office today, where a meeting is scheduled for six o'clock this evening to discuss neighborhood survey teams; other job openings with the commission and project data.

Plans to start the survey were implemented Monday evening at the EOC's regular meeting in Edwardsville.

Turn Down \$90,000

Following a recommendation made by the executive council,

commission members turned down a \$90,075 "Project Head Start" grant from the Office of Economic Opportunity, Washington, which was announced by Cong. Melvin Price earlier this month. Instead, the EOC elected to acquire a \$125,000 allocation available to the county from its overall maximum fiscal allotment of \$412,000.

In explaining the executive group's recommendation, James M. Bailey, commission president, pointed out the \$90,075 figure was considered insufficient to provide the necessary Head Start services projected for the 12 participating Madison county school districts by the county superintendent of schools. He added, the initial pre-school program last year cost \$103,000.

Additional areas and requirements as proposed by county school officials would be necessary to continue and advance the program this summer, he said.

New Allocation

Although the \$90,075 sum was available to the county EOC for Project Head Start over and above the \$412,000 maximum, a new appropriation will be allocated to the county after June 30.

He reported that EOC officials in Chicago said under present statutes the county could not accept the \$90,075 grant, supplying it from the regular fund as was proposed. The county-poverty group was told to look for future funding which would be of greatest benefit to the county.

Science Curriculum Explained to GCEA

An outline of the science curriculum in local schools and a program of vocal selections highlighted a bi-monthly meeting of the Granite City Education Association held at 4:30 p.m. Monday at Niedringhaus elementary school. In the business session, Mrs. Gladys Schubert, a Niedringhaus teacher, was selected to represent the local chapter at the National Education Association convention to be held at Miami, Fla., in June.

Mrs. Beatrice Pyle, a school nurse and GCEA vice-president, was in charge of the meeting, in the absence of Mrs. Doris Nelson of Alton. The latter, a Mitchell county teacher and her husband, Harry, became the parents of their first child on March 16.

Francis Named Head Of Douglas Campaign

Terryl W. Francis, Granite City attorney, has been named as regional vice-chairman of the Citizens for Douglas Committee. The appointment was made at a recent dinner at Chicago, Sen. Paul Douglas, who attended the event, announced the appointment of John S. Gleason Jr. of Chicago, a banker, to head his campaign for re-election.

Gleason is a former national commander of the American Legion and former U. S. administrator of veterans affairs.

He reported that EOC officials in Chicago said under present statutes the county could not accept the \$90,075 grant, supplying it from the regular fund as was proposed. The county-poverty group was told to look for future funding which would be of greatest benefit to the county.

Special Services at Trinity Methodist Church

IRS Agents Plan 3 More Days in Quad-City Area

Agents of the Internal Revenue Service will be in Granite City on three more Mondays to assist Quad-City residents with preparation of their 1965 income tax returns, according to Jay G. Philpott, Springfield district director. IRS agents working out of the East St. Louis office will be at the city hall in Granite City Monday, and again on April 4 and April 11 from 9 a.m. until 4 p.m. They may be found in the city engineering office on the third floor of the city hall.

Persons who appear at the office seeking help or answers to their questions are asked to have their records with them. No telephone service is being offered out of the local office, but Quad-City taxpayers may seek answers to tax problems by telephone by calling the East St. Louis district office.
